Bullock, 1999-01-01 Shepherd's Notes- Christian Classics Series is designed to give readers a quick, step by step overview of some of the enduring treasures of the Christian faith. They are designed to be used along side the classic itself- either in individual study or in a study group. The faithful of all generations have found spiritual nourishment in the Scriptures and in the works of Christians of earlier generations. Martin Luther and John Calvin would not have become who they were apart from their reading Augustine. God used the writings of Martin Luther to move John Wesley from a religion of dead works to an experience at Aldersgate in which his heart was strangely warmed. Shepherd's Notes will give pastors, laypersons, and students access to some of the treasures of Christian faith.

first apology of justin martyr: Second Apology of Justin Martyr St. Justin Martyr, 2017-09-10 The Second Apology is supposed to have been written as a supplement to the First Apology of Justin Martyr, on account of certain proceedings which had in the mean time taken place in Rome before Lollius Urbicus as prefect of the city, which must have been between 150 and 157. The Apology is addressed to the Roman Senate. The Second Apology was meant to expose the real reasons behind the recent persecutions of Christians under Urbicus. It also tried to expose the utter irrationality of allegations and propaganda spread against the Christians. Justin recounts the story of a certain woman who on hearing the teachings of Jesus and having become a Christian refused to comply with the immoral practices of her husband. Because the disagreements were severe she desired to be divorced, but not being encouraged to do so, she continued in that relationship until one day when it became ethically unlivable, and she gave him a bill of divorce. The husband retaliated by bringing accusations against her before the Emperor. But when he couldn't do anything against her, he turned against the Christian leaders whom Urbicus the prefect began to severely persecute.

first apology of justin martyr: First Apology of Justin Martyr St. Justin Martyr, 2017-12-18 The First Apology was an early work of Christian apologetics addressed by Justin Martyr to the Roman Emperor Antoninus Pius. In addition to arguing against the persecution of individuals solely for being Christian, Justin also provides the Emperor with a defense of the philosophy of Christianity and a detailed explanation of contemporary Christian practices and rituals. This work, along with the Second Apology, has been cited as one of the earliest examples of Christian apology, and many scholars attribute this work to creating a new genre of apology out of what was a typical Roman administrative procedure

first apology of justin martyr: The Apology of Justin Martyr David E. Nyström, 2018-05-03 In his Apology, Justin Martyr uses some major apologetic strategies to defend Christianity. These are the 'logos doctrine', the 'theft theory', the 'proof from prophecy' and the arguments from demons. David E. Nyström analyses them in order to create a picture of how they work together, rhetorically and literarily, in Justin's grand argument.

first apology of justin martyr: Between Jews and Heretics Matthijs den Dulk, 2018-05-15 Justin Martyr's Dialogue with Trypho is the oldest preserved literary dialogue between a Jew and a Christian and a key text for understanding the development of early Judaism and Christianity. In Between Jews and Heretics, Matthijs den Dulk argues that whereas scholarship has routinely cast this important text in terms of Christianity vs. Judaism, its rhetorical aims and discursive strategies are considerably more complex, because Justin is advocating his particular form of Christianity in constant negotiation with rival forms of Christianity. The striking new interpretation proposed in this study explains many of the Dialogue's puzzling features and sheds new light on key passages. Because the Dialogue is a critical document for the early history of Jews and Christians, this book contributes to a range of important questions, including the emergence of the notion of heresy and the parting of the ways between Jews and Christians.

first apology of justin martyr: Faith Takes Action Rebecca Murzin, 2010-08 So you've accepted Christ and professed that He is your Lord and Savior. Now what? In this inspiring new book, Rebecca Murzin shows readers that profession of Jesus Christ as Lord is only the first step in a Christian's journey. There is so much more. To begin, to believe in the Lord means to follow him and be obedient to his Word. Many Christians today have fallen away from the Word of God and do not read the Bible for themselves. How can you know God's will if you don't search it out, study it, and meditate upon it? After studying God's Word, it's important to watch what you say; it must align with the Word of God. Religion is in vain if we don't watch what we say. Murzin shows readers they not only must be careful of what they say, but they must watch what they do. While we are not saved by works but by faith, it is faith that drives us to do the works Christ has called us to do. We as Christians have to remember we are not supposed to be doing things the way everyone else in the world does it, and Faith Takes Action will show readers how to do things to successfully walk the Christian's path. Faith Takes Action is a well-done challenge for Christians to fulfill their callings and continue in the will of God. Pastor John and Fran Newman, Higher Ground Ministries Rebecca Murzin lives in Barnstead, New Hampshire, with her husband and three children. Together, they're working on building the Fruit of Life Ministries Christian Retreat Center.

first apology of justin martyr: Rebuilding the Foundations Paul Pavao, 2023-10 Most evangelical Christians believe that the smallest sin will cause eternal condemnation. This horrific falsehood and others underlie a Christian belief system that is imposed on the Bible rather than received from it. Paul Pavao uses the plain statements of Scripture to uproot the old foundations, lay out and establish the foundations clearly described in the Bible, and rebuild the basics of the faith. Verse after verse, called difficult by traditional teachers, click neatly into place when put into the Christian system taught by the apostles and once believed by all churches. J.T. Tancock, Welsh apologist, author, and Bible college teacher calls Rebuilding the Foundations explosive. He writes, It upsets apple carts, slays sacred cows, and demands that we 'go back to the Bible'. For all of those reasons all of us must read it. God shaped Paul's life, personality, circumstances, and spiritual upbringing to prepare him to write this book. I wrote Decoding Nicea to prove I could deal honestly with the facts and make solid historical sources available to the average Christian. That book was written as much to prove that I am qualified to write this book as for any other reason. Thousands of churches have hundreds of different theological systems. Converts to all branches of modern Christianity fall away in droves, most not even attending a church years down the road. Pastors know the majority of their congregants have little or no zeal for the things of Christ. A foundation of errors can only produce more errors, both theologically and practically. Building on what the apostle Paul called God's firm foundation can deliver us from those errors.

first apology of justin martyr: **History of the Sabbath and First Day of the Week** John Nevins Andrews, 1998 John N. Andrews was fifteen years old when he, along with other Advent believers, experienced the Great Disappointment of 1844. A few months later Andrews accepted the truth of the Sabbath after reading a tract and dedicated his life to serving God. By age twenty-three, Andrews had written and published thirty-five articles in the Review, which was the beginning of a prolific writing career. History of the Sabbath establishes that the seventh day is the Sabbath of the Lord. Within the pages of this book, Andrews outlines the truth of the Sabbath through the example of the Creator, the blessing God placed upon the day, and the sanctification or divine appointment of the day to a holy use. The book examines the Sabbath from its inception at Creation to its place in history, showing how Sunday worship usurped the Lord's Day.

first apology of justin martyr: The Essential St. Justin Martyr Justin Martyr, 2017-07-18 The First Apology was an early work of Christian apologetics addressed by Justin Martyr to the Roman Emperor Antoninus Pius. In addition to arguing against the persecution of individuals solely for being Christian, Justin also provides the Emperor with a defense of the philosophy of Christianity and a detailed explanation of contemporary Christian practices and rituals. This work, along with the Second Apology, has been cited as one of the earliest examples of Christian apology, and many scholars attribute this work to creating a new genre of apology out of what was a typical Roman administrative procedure. The Apology is addressed to the Roman Senate. The Second Apology was meant to expose the real reasons behind the recent persecutions of Christians under Urbicus. It also tried to expose the utter irrationality of allegations and propaganda spread against the Christians. In The Second Apology, Justin recounts the story of a certain woman who on hearing the teachings of Jesus and having become a Christian refused to comply with the immoral practices of her husband. Because the disagreements were severe she desired to be divorced, but not being encouraged to do so, she continued in that relationship until one day when it became ethically unlivable, and she gave him a bill of divorce. The husband retaliated by bringing accusations against her before the Emperor. But when he couldn't do anything against her, he turned against the Christian leaders whom Urbicus the prefect began to severely persecute. The Dialogue with Trypho, along with the First and Second Apologies, is a second-century Christian apologetic text, documenting the attempts by theologian Justin Martyr to show that Christianity is the new law for all men, and to prove from Scripture that Jesus is the Jewish Messiah. The Dialogue utilizes the literary device of an intellectual conversation between Justin and Trypho, a Jew. The concluding section propounds that the Christians are the true people of God. The identity of Trypho, as rabbi Tarfon (the Hebrew name Tarfon likely derived from Greek Trypho) has been proposed, but virtually all scholars mentioned in

Setzer's 'Jewish Responses to Early Christians' do not accept the notion that Trypho is Tarfon. These scholars say that Trypho is a fictional character invented by Justin for his literary goals. Setzer's book further claims that, whether a character on which Trypho was based existed or not, one can generally assume that Trypho's words are largely put in his mouth by Justin

first apology of justin martyr: *When the Church Was Young* Marcellino D'Ambrosio, 2014-07-17 If the word trinity isn't in Scripture, why is it such an important part of our faith? And if the Bible can be interpreted in many ways, how do we know what to make of it? And who decided what should be in the Bible anyway? The Church Fathers provide the answers. These brilliant, embattled, and sometimes eccentric men defined the biblical canon, hammered out the Creed, and gave us our understanding of sacraments and salvation. It is they who preserved for us the rich legacy of the early Church. D'Ambrosio dusts off the dry theology and brings you the exciting stories and great heroes such as Ambrose, Augustine, Basil, Athanasius, Chrysostom, and Jerome. This page-turner will inspire and challenge you with the lives and insights of these seminal teachers from when the Church was young.

first apology of justin martyr: The Spirit of Early Christian Thought Robert Louis Wilken, 2003-01-01 Many of the problems afflicting American education are the result of a critical shortage of qualified teachers in the classrooms. The teacher crisis is surprisingly resistant to reforms and is getting worse. This analysis of the causes underlying the crisis seeks to offer concrete, affordable proposals for effective reform. Vivian Troen and Katherine Boles, two experienced classroom teachers and education consultants, argue that because teachers are recruited from a pool of underqualified candidates, given inadequate preparation, and dropped into a culture of isolation without mentoring, support, or incentives for excellence, they are programmed to fail. Half quit within their first five years. Troen and Boles offer an alternative, a model of reform they call the Millennium School, which changes the way teachers work and improves the quality of their teaching. When teaching becomes a real profession, they contend, more academically able people will be drawn into it, colleges will be forced to improve the quality of their education, and better-prepared teachers will enter the classroom and improve the profession.

first apology of justin martyr: Marcus Aurelius: A Guide for the Perplexed William O. Stephens, 2011-11-17 This book is a clear and concise introduction to the Roman Emperor Marcus Aurelius Antoninus. His one major surviving work, often titled 'meditations' but literally translated simply as 'to himself', is a series of short, sometimes enigmatic reflections divided seemingly arbitrarily into twelve books and apparently written only to be read by him. For these reasons Marcus is a particularly difficult thinker to understand. His musings, framed as 'notes to self' or 'memoranda', are the exhortations of an earnest, conscientious Stoic burdened with the onerous responsibilities of ruling an entire, enormous empire. William O. Stephens lucidly sketches Marcus Aurelius' upbringing, family relations, rise to the throne, military campaigns, and legacy, situating his philosophy amidst his life and times, explicating the factors shaping Marcus' philosophy, and clarifying key themes in the Memoranda. Specifically designed to meet the needs of students seeking a thorough understanding of this key figure and his major work, Marcus Aurelius: A Guide for the Perplexed is the ideal guide for understanding this Stoic author - the only philosopher who was also an emperor.

Litfin, 2016-07-19 A Trusted Introduction to the Church Fathers This concise introduction to the church fathers connects evangelical students and readers to twelve key figures from the early church. The first edition has been well received and widely used. This updated and revised edition adds chapters on Ephrem of Syria and Patrick of Ireland. The book requires no previous knowledge of the patristic period and includes original, easy-to-read translations that give a brief taste of each writer's thought.
