high flight poem by john magee: High Flight Roger Cole, 2014-01-19 When Second World War Spitfire pilot John Gillespie Magee penned his poem 'High Flight', little did he know that his words would inspire legions of aspiring aviators who had a similar wish to fly their 'eager craft through footless halls of air'. Founded on years of detailed research, Roger Cole's book High Flight tells John Magee's extraordinary story, describing hitherto-unknown details of his short life, and providing insight into the inspiration for the poems that have found a unique place in history. Born of an English mother and American father in Nanking in China, Magee grew up and was educated in different parts of the world, proving to be a highly accomplished student. Through his experiences, he developed principles that made him determined to defend the rights of those he loved and respected. Exhilarated by flight and finding unique language in poetry, John was able to use words to express the emotions and sentiments of all who fly in a manner that is acknowledged and applauded throughout the world. The outbreak of war in Europe violated his beliefs, and, determined to fight for freedom, John left America and joined the Royal Canadian Air Force, qualifying as a pilot and traveling to England to fight Nazism. Tragically, John would lose his life, aged 19 years, in an accident, so never know how his words would serve posterity. Roger Cole's High Flight traces the path of John Magee's achievement, revealing an incredible story of human endeavor, vision, determination and self-sacrifice.

high flight poem by john magee: Beverly, Right Here Kate DiCamillo, 2019-09-24 As featured on The Today Show's Read with Jenna Jr. Book Club Revisiting once again the world of Raymie Nightingale, two-time Newbery Medalist Kate DiCamillo turns her focus to the tough-talking, inescapably tenderhearted Beverly. Beverly put her foot down on the gas. They went faster still. This was what Beverly wanted — what she always wanted. To get away. To get away as fast as she could. To stay away. Beverly Tapinski has run away from home plenty of times, but that was when she was just a kid. By now, she figures, it's not running away. It's leaving. Determined to make it on her own, Beverly finds a job and a place to live and tries to forget about her dog, Buddy, now buried underneath the orange trees back home; her friend Raymie, whom she left without a word; and her mom, Rhonda, who has never cared about anyone but herself. Beverly doesn't want to depend on anyone, and she definitely doesn't want anyone to depend on her. But despite her best efforts, she can't help forming connections with the people around her — and gradually, she learns to see herself through their eyes. In a touching, funny, and fearless conclusion to her sequence of novels about the beloved Three Rancheros, #1 New York Times best-selling author Kate DiCamillo tells the story of a character who will break your heart and put it back together again.

high flight poem by john magee: **QF32** Richard de Crespigny, 2012-08-01 QF32 is the award winning bestseller from Richard de Crespigny, author of the forthcoming *Fly!: Life Lessons from the Cockpit of QF32* On 4 November 2010, a flight from Singapore to Sydney came within a knife edge of being one of the world's worst air disasters. Shortly after leaving Changi Airport, an explosion shattered Engine 2 of Qantas flight QF32 - an Airbus A380, the largest and most advanced passenger plane ever built. Hundreds of pieces of shrapnel ripped through the wing and fuselage, creating chaos as vital flight systems and back-ups were destroyed or degraded. In other hands, the plane might have been lost with all 469 people on board, but a supremely experienced flight crew, led by Captain Richard de Crespigny, managed to land the crippled aircraft and safely disembark the passengers after hours of nerve-racking effort. Tracing Richard's life and career up until that fateful flight, QF32 shows exactly what goes into the making of a top-level airline pilot, and the extraordinary skills and training needed to keep us safe in the air. Fascinating in its detail and

vividly compelling in its narrative, QF32 is the riveting, blow-by-blow story of just what happens when things go badly wrong in the air, told by the captain himself. high flight poem by john magee: *Where the High Winds Sing* Don Purdy, 2021-09-30 *Where the High Winds Sing* weaves a vivid tapestry of flight from the experiences of a Naval Aviator who lived through the bloody brawl that was the air war over North Vietnam. Its compelling verse soars beyond the limits of prose to draw the reader into a visceral appreciation of the sights, sounds, and passions of aerial combat. The poetry ranges from the pure celebration of flight to the always demanding, sometimes humorous, often tragic drama of wartime carrier operations. But it also presents evocative images of transformative interludes at sea and reflections on the effects of combat, especially the loss of close friends. Don Purdy's accessible poetry is reminiscent of an earlier era when such poets as Wilfred Owen, John Gillespie Magee Jr., and Rudyard Kipling elevated war poetry to a unique literary genre. The poetry poignantly expresses the sentiments of a fighter, a survivor, and a veteran mourning the loss of his brothers-in-arms. The author, a naval aviator during the Vietnam War, vividly brings to life the experience of aerial combat as well as themes universal to the experience of war. The poems are written and arranged with great creativity and skill, and include not only depictions of battle and action, but also reflections on courage, loss, and the larger legacy of military conflict. Purdy's writing is beautifully complemented by artwork, photos, and annotations. *Where the High Winds Sing* is not merely a book, but a masterful work of art.

high flight poem by john magee: All the Lights Above Us M. B. Henry, 2022-05-10 Across Europe, on what history will call D-Day, five unforgettable women from all walks of life strive to survive the most terrifying night of their lives. Told in alternating viewpoints, this unforgettable debut is perfect for fans of Kate Quinn and Pam Jenoff. June 6, 1944. Allied forces hit the beaches of Nazi-occupied France. Among the countless lives shattered are those of five spirited women with

starkly different lives. As the war reaches its tipping point, each of the women fight for the survival of themselves, their countries, and their way of life during one of the most pivotal days in history. American expatriate Mildred, better known as Axis Sally, has a thriving career as a Nazi radio propagandist, but her conscience haunts her. Meanwhile, across the English Channel, young medical volunteer Theda is pushed to her limit as shiploads of casualties dock in Portsmouth. Closer to the front, intrepid Flora aids the French resistance, while she seeks out her vanished parents. Iron-willed Emilia has climbed the Gestapo ranks, but she is now bent on betraying them. Finally, dignified Adelaide's faith is shaken when she is forced to quarter German soldiers. Now, during the most perilous twenty-four hours of their lives, all five women must summon courage they never knew they had, as they confront the physical dangers of war, alongside treacherous family secrets, heartbreak, and the ability to trust themselves. For these women, their inner strength is their only hope. But is it enough? How far can one person go for the things they believe in?

high flight poem by john magee: *The Magpie and the Child* Catriona Clutterbuck, 2021-03 The Magpie and the Child tells a story of great loss, love, and learning. The volume starts from the days before the poetic journey, in a sort of pre-exploration of events before they were events, moving to and through the death of her child Emily at almost eleven years old from an unsuspected heart condition. The poems speak, lament, and sing among the metaphors and religious resonances that such mourning must inspire. The thieving magpie of the prefatory title poem pecks at its own image in the glass while the poet daubs the hope of intervening blood on the trembling lintel of faith. The volume is filled with self-examination, suffering, remembered conversations with the living child, and very real ones with the dead, each of which record the steps of the emotional journey. The second half of *The Magpie and the Child* is an extended sequence taking the form of a fragmented diary, one that captures the pain of loss in a skeptical age yet insists on the ritual compensation of belief. In the rigors of its form, the depth of its despair, and the necessary belief in the meaning of its artistic act, Clutterbuck's poetry carefully and beautifully maintains this very delicate balance.
