jhumpa lahiri the interpreter of maladies: Unaccustomed Earth Jhumpa Lahiri, 2013-09-05
The stories of Unaccustomed Earth focus on second-generation immigrants making and remaking
lives, loves and identities in England and America. We follow brothers and sisters, mothers and
fathers, friends and lovers, in stories that take us from Boston and London to Bombay and Calcutta.
Blending the individual and the generational, the exotic and the strikingly mundane, these haunting,
exquisitely detailed and emotionally complex stories are intensely compelling elegies of life, death,
love and fate. This is a dazzling work from a masterful writer.

jhumpa lahiri the interpreter of maladies: Blue Boy Rakesh Satyal, 2009-04-28
A twelve-year-old Indian American boy believes he is the reincarnation of Krishna and plans to unveil
his true identity at the school talent show. Meet Kiran Sharma: lover of music, dance, and all things
sensual; son of immigrants, social outcast, spiritual seeker. A boy who doesn't quite understand his
lot—until he realizes he's a god . . . As an only son, Kiran has obligations—to excel in his studies, to
honor the deities, to find a nice Indian girl, and, above all, to make his mother and father
proud—standard stuff for a boy of his background. If only Kiran had anything in common with the
other Indian kids besides the color of his skin. They reject him at every turn, and his cretinous public
schoolmates are no better. Cincinnati in the early 1990s isn't exactly a hotbed of cultural diversity,
and Kiran's not-so-well-kept secrets don't endear him to any group. Playing with dolls, choosing
ballet over basketball, taking the annual talent show way too seriously...the very things that make
Kiran who he is also make him the star of his own personal freak show . . . Surrounded by examples
of upstanding Indian Americans—in his own home, in his temple, at the weekly parties given by his
parents' friends—Kiran nevertheless finds it impossible to get the knack of "normalcy." And then one
fateful day, a revelation: perhaps his desires aren't too earthly, but too divine. Perhaps the solution
to the mystery of his existence has been before him since birth. For Kiran Sharma, a long, strange
trip is about to begin—a journey so sublime, so ridiculous, so painfully beautiful, that it can only lead
to the truth . . . Praise for Blue Boy "Compassionate, moving, funny, and wise, Blue Boy is one of the
best debut novels I have read in years." &mda

jhumpa lahiri the interpreter of maladies: Whereabouts Jhumpa Lahiri, 2021-04-27 NEW YORK TIMES BESTSELLER • A marvelous new novel from the Pulitzer Prize-winning author of *The Lowland* and *Interpreter of Maladies* about a woman questioning her place in the world, wavering between stasis and movement, between the need to belong and the refusal to form lasting ties. "Another masterstroke in a career already filled with them." —O, the Oprah Magazine Exuberance and dread, attachment and estrangement: in this novel, Jhumpa Lahiri stretches her themes to the limit. In the arc of one year, an unnamed narrator in an unnamed city, in the middle of her life's journey, realizes that she's lost her way. The city she calls home acts as a companion and interlocutor: traversing the streets around her house, and in parks, piazzas, museums, stores, and coffee bars, she feels less alone. We follow her to the pool she frequents, and to the train station that leads to her mother, who is mired in her own solitude after her husband's untimely death. Among those who appear on this woman's path are colleagues with whom she feels ill at ease, casual acquaintances, and "him," a shadow who both consoles and unsettles her. Until one day at the sea, both overwhelmed and replenished by the sun's vital heat, her perspective will abruptly change. This is the first novel Lahiri has written in Italian and translated into English. The reader will find the qualities that make Lahiri's work so beloved: deep intelligence and feeling, richly textured physical and emotional landscapes, and a poetics of dislocation. But *Whereabouts*, brimming with the impulse to cross barriers, also signals a bold shift of style and sensibility. By grafting herself onto a new literary language, Lahiri has pushed herself to a new level of artistic achievement.

jhumpa lahiri the interpreter of maladies: Trick Domenico Starnone, 2018-03-06 A weary man faces the ghosts of his past while caring for his grandson in Naples in this National Book Award finalist novel by the acclaimed author of *Ties*. In *Tricks*, Domenico Starnone presents an unusual duel between two formidable minds. One is Daniele Mallarico, a once-successful illustrator who feels his artistic prowess fading. The other is Mario, Daniele's four-year-old grandson. Daniele is living in virtual solitude in Milan when his daughter asks him to come to Naples to babysit Mario for a few days. Shut inside his childhood home—an apartment in the center of Naples that is filled with memories of Daniele's past—grandfather and grandson match wits as Daniele heads toward a reckoning with his own ambitions and life choices. Meanwhile, Naples pulses outside, a wily, passionate city whose influence can never be shaken. As translator Jhumpa Lahiri says in her introduction, *Trick* is "an extremely playful literary composition" by the Strega Prize-winning novelist whom many consider to be one of Italy's greatest living writers.

jhumpa lahiri the interpreter of maladies: Translating Myself and Others Jhumpa Lahiri, 2023-09-12 Luminous essays on translation and self-translation by an award-winning writer and literary translator *Translating Myself and Others* is a collection of candid and disarmingly personal essays by Pulitzer Prize-winning author Jhumpa Lahiri, who reflects on her emerging identity as a translator as well as a writer in two languages. With subtlety and emotional immediacy, Lahiri draws on Ovid's myth of Echo and Narcissus to explore the distinction between writing and translating, and provides a close reading of passages from Aristotle's *Poetics* to talk more broadly about writing, desire, and freedom. She traces the theme of translation in Antonio Gramsci's *Prison Notebooks* and takes up the question of Italo Calvino's popularity as a translated author. Lahiri considers the unique challenge of translating her own work from Italian to English, the question "Why Italian?," and the singular pleasures of translating contemporary and ancient writers. Featuring essays originally written in Italian and published in English for the first time, as well as essays written in English, *Translating Myself and Others* brings together Lahiri's most lyrical and eloquently observed meditations on the translator's art as a sublime act of both linguistic and personal metamorphosis.

jhumpa lahiri the interpreter of maladies: Close Range Annie Proulx, 2007-12-01 From the Pulitzer Prize-winning and bestselling author of *The Shipping News* and *Accordion Crimes* comes one of the most celebrated short story collections of our time. Annie Proulx's masterful language and fierce love of Wyoming are evident in this collection of stories about loneliness, quick violence, and wrong kinds of love. In *The Mud Below*, a rodeo rider's obsession marks the deepening fissures between his family life and self-imposed isolation. In *The Half-Skinned Steer*, an elderly fool drives west to the ranch he grew up on for his brother's funeral, and dies a mile from home. In *Brokeback Mountain*, the difficult affair between two cowboys survives everything but the world's violent intolerance. These are stories of desperation, hard times, and unlikely elation, set in a landscape both brutal and magnificent. Enlivened by folk tales, flights of fancy, and details of ranch and rural work, they juxtapose Wyoming's traditional character and attitudes—confrontation of tough problems, prejudice, persistence in the face of difficulty—with the more benign values of the new

west. Stories in Close Range have appeared in The New Yorker, The Atlantic Monthly, Harper's, and GQ. They have been selected for the O. Henry Stories 1998 and The Best American Short Stories of the Century and have won the National Magazine Award for Fiction. This is work by an author writing at the peak of her craft.

A young British Pakistani man, Nur has spent years omitting details about his personal life to maintain his image as the golden child. And it's come at a cost. Once, Nur was a restless college student, struggling to fit in. At a party, he meets Yasmina, a beautiful and self-possessed aspiring journalist. They start a conversation—first awkward, then absorbing. And as their relationship develops, so too does Nur's self-destruction. jhumpa lahiri the interpreter of maladies: Songbirds Christy Lefteri, 2022-08-30 "A beautifully crafted novel that sits at the intersection of race and class, that flags the frank truth of the life of migrant workers for whom a flight to freedom can become the most finely woven trap."—JODI PICOULT, #1 New York Times bestselling author of The Book of Two Ways From the prize-winning author of The Beekeeper of Aleppo comes Songbirds, a stunning novel about the disappearance of a Sri Lankan domestic worker and how the most vulnerable people find their voices. Living on the island of Cyprus, Nisha is far from her native Sri Lanka. Though she longs to return home, she knows that working as a "maid" for a wealthy widow is the only way to earn enough to support her daughter, left behind to be raised by relatives. Yiannis is a poacher, trapping the tiny protected songbirds that stop in Cyprus as they migrate each year from Africa to Europe and selling them on the illegal market. He dreams of finding a new way of life, and of marrying Nisha. But one night, Nisha makes dinner, an aromatic dahl curry, for the family who pays her: Petra and her daughter Alik. Then, after she cleans the kitchen and tucks Alik into bed, Nisha goes out on a mysterious errand, and vanishes. When the police refuse to pursue the case, Petra takes on the investigation herself, a path that leads her to Nisha's friends—other workers in the neighborhood—and to the darker side of a migrant's life, where impossible choices leave them vulnerable, captive, and worse. Inspired by the real-life disappearance of domestic workers in Cyprus, Christy Lefteri has crafted a poignant, deeply empathetic narrative of the human stories behind the headlines. With infinite tenderness and skill, Songbirds offers a triumphant story of the fight for truth and justice, and of women reclaiming their lost voices.

jhumpa lahiri the interpreter of maladies: Memoirs of a Polar Bear Yoko Tawada, 2016-11-08 The *Memoirs of a Polar Bear* stars three generations of talented writers and performers—who happen to be polar bears The *Memoirs of a Polar Bear* has in spades what Rivka Galchen hailed in the *New Yorker* as “Yoko Tawada’s magnificent strangeness”—Tawada is an author like no other. Three generations (grandmother, mother, son) of polar bears are famous as both circus performers and writers in East Germany: they are polar bears who move in human society, stars of the ring and of the literary world. In chapter one, the grandmother matriarch in the Soviet Union accidentally writes a bestselling autobiography. In chapter two, Tosca, her daughter (born in Canada, where her mother had emigrated) moves to the DDR and takes a job in the circus. Her son—the last of their line—is Knut, born in chapter three in a Leipzig zoo but raised by a human keeper in relatively happy circumstances in the Berlin zoo, until his keeper, Matthias, is taken away... Happy or sad, each bear writes a story, enjoying both celebrity and “the intimacy of being alone with my pen.”

jhumpa lahiri the interpreter of maladies: In Other Words Jhumpa Lahiri, 2016 A series of

reflections on the author's experiences learning a new language and living abroad, in a dual-language edition--

jhumpa lahiri the interpreter of maladies: In Other Words Jhumpa Lahiri, 2017-02-07 From

the Pulitzer Prize winner, a surprising, powerful and eloquent non-fiction debut. In Other Words is at heart a love story—of a long and sometimes difficult courtship, and a passion that verges on obsession: that of a writer for another language. For Jhumpa Lahiri, that love was for Italian, which first captivated and capsized her during a trip to Florence after college. And although Lahiri studied Italian for many years afterward, true mastery had always eluded her. So in 2012, seeking full immersion, she decided to move to Rome with her family, for a trial by fire, a sort of baptism into a new language and world. In Rome, Lahiri began to read, and to write—initially in her journal—solely in Italian. In Other Words, an autobiographical work written in Italian, investigates the process of learning to express oneself in another language, and describes the journey of a writer seeking a new voice. Presented in a dual-language format, it is a book about exile, linguistic and otherwise, written with an intensity and clarity not seen since Nabokov. A startling act of self-reflection and a provocative exploration of belonging and reinvention. Translated from the Italian by Ann Goldstein.

jhumpa lahiri the interpreter of maladies: *Little Saigons* Karin Aguilar-San Juan, 2009 Karin Aguilar-San Juan examines the contradictions of Vietnamese American community and identity in two emblematic yet different locales: Little Saigon in suburban Orange County, California (widely described as the capital of Vietnamese America) and the urban Vietnamese town of Fields Corner in Boston, Massachusetts. Their distinctive qualities challenge assumptions about identity and space, growth amid globalization, and processes of Americanization. With a comparative and race-cognizant approach, Aguilar-San Juan shows how places like Little Saigon and Fields Corner are sites for the simultaneous preservation and redefinition of Vietnamese identity. Intervening in debates about race, ethnicity, multiculturalism, and suburbanization as a form of assimilation, this work elaborates on the significance of place as an integral element of community building and its role in defining Vietnamese American-ness. Staying Vietnamese, according to Aguilar-San Juan, is not about replicating life in Viet Nam. Rather, it involves moving toward a state of equilibrium that, though always in flux, allows refugees, immigrants, and their U.S.-born offspring to recalibrate their sense of self in order to become Vietnamese anew in places far from their presumed geographic home.
