jack and the beanstalk golden harp: **English Fairy Tales** Joseph Jacobs, 2018-10-16 English Fairy Tales By Joseph Jacobs A word or two as to our title seems necessary. We have called our stories Fairy Tales though few of them speak of fairies. The same remark applies to the collection of the Brothers Grimm and to all the other European collections, which contain exactly the same classes of tales as ours. Yet our stories are what the little ones mean when they clamour for Fairy Tales, and this is the only name which they give to them. One cannot imagine a child saying, Tell us a folk-tale, nurse, or Another nursery tale, please, grandma. As our book is intended for the little ones, we have indicated its contents by the name they use. The words Fairy Tales must accordingly be taken to include tales in which occurs something fairy, something extraordinary--fairies, giants, dwarfs, speaking animals. It must be taken also to cover tales in which what is extraordinary is the stupidity of some of the actors.
