john lennon 1980 playboy interview: Strawberry Fields Forever Vic Garbarini, Brian Cullman, Barbara Graustark, 1980

john lennon 1980 playboy interview: *Lennon On Lennon: Conversations With John Lennon* Jeff Burger, John Lennon, 2017-05-15 The electric spearhead of The Beatles meteoric rise; one half of the most creative and powerful songwriting partnerships ever; figurehead of peace and an icon of generations: John Lennon's adventure through life is an immortalised legend. Lennon on Lennon is Jeff Burger's dazzling digest of John Lennon's views on the world around him. Sharp, insightful, contrary, witty, opinionated or downright aggressive, these illuminating interviews and quotations open a window into the musician and the man, and the volatile culture in which he lived, and died. Most of this material has never been available in print; some has remained entirely hidden until now. Jeff Burger's meticulously researched book offers a truly unique and captivating glimpse into the mind and philosophy of one of the world's most complex and inspiring talents.

john lennon 1980 playboy interview: Last Interview John Lennon, David Sheff, Yoko Ono, 2000 On the 21st anniversary of his death, a poignant John Lennon document back in print Lennon's last interview before his assassination on December 8, 1980, was first published in Playboy in a 20,000 word format in November that year. It saw limited distribution in the US in its full form as a 200-page book, reflecting 20 hours of tapes made that September, but was never seen elsewhere, and is now a collector's item. This new, revised edition is published with the rare participation of Yoko Ono.

john lennon 1980 playboy interview: Skywriting by Word of Mouth John Lennon, 2013-10-01 John Lennon wrote Skywriting by Word of Mouth, an impressive collection of writings and drawings, during Yoko Ono's pregnancy with Sean, and always planned to have it published. The book's publication was a wish that seemed to end with Lennon's assassination in 1980 and the theft of the manuscript from the Lennons' home in 1982. When it was recovered and first published in 1986, Skywriting received immediate critical and popular acclaim. Filled with Lennon's extraordinary creative powers and lavishly illustrated with his own drawings, the collection reveals his fertile creative spirit up close and in full force. Included in Skywriting are Two Virgins, written when the public learned that John and Yoko were living together as husband and wife, and John's only autobiography, The Ballad of John and Yoko. In addition there are notes on his falling in love with Yoko, the breakup of the Beatles, his persecution by U.S. authorities, and his withdrawal from public life. This is a book with John Lennon's spirit on every page—a spirit the world needs to remember.

john lennon 1980 playboy interview: The Beatles and the Historians Erin Torkelson Weber, 2016-04-27 Hundreds of books have been written about The Beatles. Over the last half century, their story has been mythologized and de-mythologized and presented by biographers and journalists as history. Yet many of these works do not strictly qualify as history and the story of how the Beatles' mythology continues to be told has been largely ignored. This book examines the band's historiography, exploring the four major narratives that have developed over time: The semi-whitewashed Fab Four account, the acrimonious breakup-era Lennon Remembers version, the biased Shout! narrative in the wake of John Lennon's murder, and the current Mark Lewisohn orthodoxy. Drawing on the most influential primary and secondary sources, Beatles history is analyzed using historical methods.

john lennon 1980 playboy interview: Days That I'll Remember Jonathan Cott, 2013-02-12 Jonathan Cott met John Lennon in 1968 and was friends with him and Yoko Ono until John's death in 1980. He has kept in touch with Yoko since that time, and is one of the small group of writers who understands her profoundly positive influence on Lennon. This deeply personal book recounts the course of those friendships over the decades and provides an intimate look at two of the most

astounding cultural figures of our time. And what Jonathan Cott has to say and tell will be found nowhere else.

john lennon 1980 playboy interview: The Last Days of John Lennon Fred Seaman, 1992-09-01 An account of the late Beatle's last days discusses Lennon's relationship with Yoko Ono, Yoko's heroin use and extramarital affairs, Lennon's virtual self-imprisonment in the Dakota, his battles with Yoko, and more. Reprint.

john lennon 1980 playboy interview: The Playboy Interviews with John Lennon and Yoko Ono John Lennon, David Sheff, 1981 Tekst van de interviews gehouden met de Engelse popmusicus (1940-1980) en zijn vrouw.

john lennon 1980 playboy interview: The Playboy Interview G. Barry Golson, 1981 Forty memorable Playboy interviews collected over the past eighteen years reveal the ideas and personalities of such public figures as Jimmy Carter, Malcolm X, Timothy Leary, Albert Schweitzer, and Mae West

john lennon 1980 playboy interview: Nowhere Man Robert Rosen, 2002 An intimate journey through John Lennon's final years. Including photos of Lennon and family.

john lennon 1980 playboy interview: Starting Over Ken Sharp, 2011-10-25 Oral history of the making of Double Fantasy and account of Lennon's last days.

john lennon 1980 playboy interview: Dreaming the Beatles Rob Sheffield, 2017-04-25 An NPR Best Book of the Year • Winner of the Virgil Thomson Award for Outstanding Music Criticism "This is the best book about the Beatles ever written" —Mashable Rob Sheffield, the Rolling Stone columnist and bestselling author of *Love Is a Mix Tape* offers an entertaining, unconventional look at the most popular band in history, the Beatles, exploring what they mean today and why they still matter so intensely to a generation that has never known a world without them. *Dreaming the Beatles* is not another biography of the Beatles, or a song-by-song analysis of the best of John and Paul. It isn't another exposé about how they broke up. It isn't a history of their gigs or their gear. It is a collection of essays telling the story of what this ubiquitous band means to a generation who grew up with the Beatles music on their parents' stereos and their faces on T-shirts. What do the Beatles mean today? Why are they more famous and beloved now than ever? And why do they still matter so much to us, nearly fifty years after they broke up? As he did in his previous books, *Love Is a Mix Tape*, *Talking to Girls About Duran Duran*, and *Turn Around Bright Eyes*, Sheffield focuses on the emotional connections we make to music. This time, he focuses on the biggest pop culture phenomenon of all time—The Beatles. In his singular voice, he explores what the Beatles mean today, to fans who have learned to love them on their own terms and not just for the sake of nostalgia. *Dreaming the Beatles* tells the story of how four lads from Liverpool became the world's biggest pop group, then broke up—but then somehow just kept getting bigger. At this point, their music doesn't belong to the past—it belongs to right now. This book is a celebration of that music, showing why the Beatles remain the world's favorite thing—and how they invented the future we're all living in today.

john lennon 1980 playboy interview: Lennon in America Geoffrey Giuliano, 2000 John Lennon was a legend in his own time. Deprived of life at a young age, Lennon has become a symbol of the sixties and seventies peace movement. But what do we really know about him as a person?

john lennon 1980 playboy interview: China Dawn David Sheff, 2009-03-17 Imagine living through the breakthrough moments of Bill Gates, Steve Jobs, and the other icons of today's new economy. The kind of technological revolution that they led in Silicon Valley is now sweeping through China, but with much more dramatic implications. The dynamic entrepreneurs who are using technology to radically transform business and cultural life in China are fighting not only outdated business models and a tumultuous economy but also an unpredictable government that has a love-hate relationship with the Net, at once pushing its expansion at a feverish pace and censoring it. As Duncan Clark, cofounder of BDA, an Internet consulting company in Beijing, told author David Sheff, This environment -- the regulations, the competition, the political uncertainties -- makes these the fastest, most courageous, nimblest-thinking people globally. To deal with this level of risk and

still sleep is no small accomplishment. But they're hooked on it like some Chinese are becoming hooked on Starbucks cappuccino. In this irresistible, groundbreaking book, Sheff takes us into the trenches of the Chinese technology revolution, introducing the major and minor players who are leading China into the twenty-first century. Players like Bo Feng, the charismatic former sushi chef who is now one of the leading venture capitalists in China. And Edward Tian, a national hero who has been described as China's Steve Jobs and Bill Gates combined, who left his own start-up on the eve of its IPO in order to lead the government's attempt to bring broadband to the entire nation, in the process leapfrogging the United States, Europe, and the rest of Asia with the longest and fastest network in the world. As the U.S. technological revolution wanes, business leaders will be looking to the billion-plus potential customers in China for new growth. In addition, the world's newest member of the World Trade Organization will no longer be a bystander in the global economy; it will be a fierce competitor. And when hundreds of million Chinese have access to unprecedented information and communication, China itself will be profoundly altered. Jay Chang, an analyst who covers China for Credit Suisse First Boston, sums the seismic nature of the changes: What happens when China successfully transforms from a mainly agrarian/industrial nation into one that has significant input from the information technology industry? What happens when eighty percent of the state-owned enterprises in China are able to link economically to the global Internet on fast pipes? What happens when China's engineering talent pool is able to gain access to high-end computing resources and exchange ideas and information easily with their global peers? What happens when fifty percent of the Chinese population gets wired in ten years -- six hundred million people, the largest number of Internet users in the world? With its compelling, character-driven story, researched over the course of three years, *China Dawn* will be the definitive book on the subject.

john lennon 1980 playboy interview: *The Playboy Interviews with John Lennon and Yoko Ono* John Lennon, Yoko Ono, David Sheff, G. Barry Golson, 1981

john lennon 1980 playboy interview: *The Lost Lennon Interviews* Geoffrey Giuliano, Brenda Giuliano, 1998 This volume seeks to offer insight into the timeless and troubled John Lennon. It features interviews with Lennon and with other Beatles, as well as with Lennon's family and other insiders. It also contains the last ever interviews John Lennon gave, just three days before his murder in 1980.

john lennon 1980 playboy interview: December 8, 1980 Keith Elliot Greenberg, 2010 In a riveting, minute-by-minute format, a best-selling author follows the events leading to the moment when Mark David Chapman killed rock icon John Lennon in New York City, in a book that also looks at the aftermath.

john lennon 1980 playboy interview: *John Lennon* Anthony Fawcett, 1980

john lennon 1980 playboy interview: *The Playboy Book* Gretchen Edgren, 1998

john lennon 1980 playboy interview: *Being John Lennon* Ray Connolly, 2018-10-04 John Lennon was a rock star, a school clown, a writer, a wit, an iconoclast, a sometime peace activist and finally an eccentric millionaire. He was also a Beatle - his plain-speaking and impudent rejection of authority catching, and eloquently articulating, the group's moment in history. Chronicling a famously troubled life, *Being John Lennon* analyses the contradictions in the singer-songwriter's creative and destructive personality. Drawing on many interviews and conversations with Lennon, his first wife Cynthia and second Yoko Ono, as well as his girlfriend May Pang and song-writing partner Paul McCartney, Ray Connolly unsparingly reassesses the chameleon nature of the perpetually dissatisfied star who just couldn't stop reinventing himself.

john lennon 1980 playboy interview: *Prisoner of Love* Peter Doggett, 2021-04-13 John Lennon's five-year retirement from the world of music, his brief comeback in 1980, and his brutal murder outside his New York home have become the stuff of legend. But the reality of his daily life during that period has been obscured by the mythology Lennon sold to the press in his final interviews, and which his widow Yoko Ono has maintained to this day. Acknowledged Beatles expert Peter Doggett is a lifelong fan of Lennon, and the author of *The Art And Music Of John Lennon*, a detailed commentary on his entire artistic output. Several years ago, a mysterious set of

circumstances led him to a room where he was able to read several of the ex-Beatle's private diaries - never revealed to the public or represented accurately in other books about Lennon. What he learned forced him to confront everything he believed he knew about his hero, and also the profound influence that the musician had wielded over his own life - especially in the wake of Lennon's death on December 8, 1980. *Prisoner Of Love* is both a revelatory account of Lennon's final years, based on the author's access to the musician's personal writings; and also a poignant memoir of a diehard fan who depended on Lennon for his sense of sanity during the darkest years of his life. The book brings together the tortured artist and the bereaved fan, in an account that will touch the heart of everyone who has ever fallen under the spell of this most charismatic of rock icons.

john lennon 1980 playboy interview: *Lennon Remembers* Jann Wenner, John Lennon, Yoko Ono, 1971 Rolling Stone interviews conducted in 1970 and published in 1971.

john lennon 1980 playboy interview: *New York Rock* Yoko Ono, 1994

john lennon 1980 playboy interview: *John & Yoko/Plastic Ono Band* Yoko Ono, John Lennon, 2020-11-17 A definitive, in-depth, revelatory exploration of John Lennon's intensely personal first major solo album after the breakup of the Beatles. Described by Lennon as the best thing I've ever done, and widely regarded as his best solo album, John Lennon/Plastic Ono Band was released on 11 December 1970. With first-hand commentary by Lennon, Ono, and other members of the band, and packed with previously unseen photographs by those who documented their lives, this incisive volume offers new insights into the raw emotions and open mindset of Lennon after marriage to Ono and the breakup of the Beatles, to the making of the album and revealing interview with Jann Wenner in December 1970. Primal therapy had a huge impact on Lennon's songwriting, resulting in the creation of intensely personal, soul-baring tracks. This book takes his lyrics as a starting point and explores Lennon's life, career, and self-perception, from performing flea with the Beatles to authenticity as a solo artist.

john lennon 1980 playboy interview: *John Lennon, 1980* Kenneth Womack, 2020 For Lennon, 1980 had begun as a ceaseless shopping spree in which he and wife Yoko Ono fell into the doldrums of purchasing blue-chip real estate and indulging their every whim. But for John, that pivotal year would climax in several moments of creative triumph as he rediscovered his artistic self in dramatic fashion, only to be cut down by an assassin's bullets on Monday, December 8th, 1980, in the prime of a new life that was only just beginning to blossom.

john lennon 1980 playboy interview: *Memories of John Lennon* Yoko Ono, 2005-11-29 And, for the first time, renowned photographer Annie Liebovitz presents every frame of the historic last session with John and Yoko.--BOOK JACKET.

john lennon 1980 playboy interview: *The Dakota Winters* Tom Barbash, 2018-12-04 An evocative and wildly absorbing novel about the Winters, a family living in New York City's famed Dakota apartment building in the year leading up to John Lennon's assassination It's the fall of 1979 in New York City when twenty-three-year-old Anton Winter, back from the Peace Corps and on the mend from a nasty bout of malaria, returns to his childhood home in the Dakota. Anton's father, the famous late-night host Buddy Winter, is there to greet him, himself recovering from a breakdown. Before long, Anton is swept up in an effort to reignite Buddy's stalled career, a mission that takes him from the gritty streets of New York, to the slopes of the Lake Placid Olympics, to the Hollywood Hills, to the blue waters of the Bermuda Triangle, and brings him into close quarters with the likes of Johnny Carson, Ted and Joan Kennedy, and a seagoing John Lennon. But the more Anton finds himself enmeshed in his father's professional and spiritual reinvention, the more he questions his own path, and fissures in the Winter family begin to threaten their close bond. By turns hilarious and poignant, *The Dakota Winters* is a family saga, a page-turning social novel, and a tale of a critical moment in the history of New York City and the country at large.

john lennon 1980 playboy interview: *Two of Us* Geoffrey Giuliano, 1999 Obscured behind the popular music of the legendary songwriting team of John Lennon and Paul McCartney was a fierce tumultuous rivalry that spanned an entire generation. This riveting, provocative biography uncovers the meaning behind their music. 60 illustrations.

john lennon 1980 playboy interview: Lennon Revealed Larry Kane, 2007-08-17 A quarter of a century after his death, the questions remain: what was John Lennon really like, what drove him to the heights of creativity and the depths of despair, and why do his music and message still resonate for millions around the world? Now acclaimed broadcast journalist and author Larry Kane uncovers the mysteries of Lennon's life and implodes the myths surrounding it. Kane definitely has the right credentials for the job. He was the only American reporter to travel in the Beatles' official entourage to every stop on their history-making first American tours, and he stayed in touch with Lennon until an assassin ended the former Beatles' life in 1980. Lennon Revealed is filled with revelations about John Lennon's path from public glory to personal crisis, and ultimately to his inspiring rebirth and the triumph of his spirit. Drawing on extensive personal accounts and extraordinary new interviews with more than 100 confidants-most notably, Yoko Ono-Kane presents stunning revelations and brings the reader closer than ever to the man who, in life and in death, has had an incalculable impact on humanity. Includes an exclusive DVD featuring the final interview with Lennon and Paul McCartney, conducted by Larry Kane.

john lennon 1980 playboy interview: Beatlesongs William J. Dowling, 2009-09-29 A complete and fascinating chronicle of Beatles music and history, Beatlesongs details the growth, evolution, and dissolution of the most influential group of our time. Drawing together information from sources that include interviews, insider accounts, magazines, and news wire services, this is a complete profile of every Beatles song ever written -- from recording details such as who played which instruments and sang what harmonies to how each song fared on the charts and how other musicians and critics felt about it. Chronologically arranged by U.K. release date, Beatlesongs nails down dates, places, participants, and other intriguing facts in a truly remarkable portrait of the Liverpool legends. Behind each song is a story -- like Paul's criticism of George's guitar playing during the Rubber Soul sessions, John's acid trip during the Sgt. Pepper's session, and the selection process for the Revolver album cover. And carefully examined along the way are the Beatles' evolving musical talents, their stormy private lives, and their successful -- and unsuccessful -- collaborations. Beatlesongs is truly an inside look at the Fab Four and a treasure for all their fans.

john lennon 1980 playboy interview: The Lennon Tapes John Lennon, Yoko Ono, Andy Peebles, 1981

john lennon 1980 playboy interview: This Day in Music Neil Cossar, 2014-08 Births, deaths and marriages, No1 singles, drug busts and arrests, famous gigs and awards... all these and much more appear in this fascinating 50 year almanac. Using a page for every day of the calendar year, the author records a variety of rock and pop events that took place on a given day of the month across the years. This Day in Music is fully illustrated with hundreds of pictures, cuttings and album covers, making this the must-have book for any pop music fan.

john lennon 1980 playboy interview: Imagine John Yoko John Lennon, Yoko Ono, 2018-10-09 Personally compiled and curated by Yoko Ono, Imagine John Yoko is the definitive inside story-told in revelatory detail-of the making of the legendary album and all that surrounded it: the locations, the creative team, the artworks and the films, in the words of John & Yoko and the people who were there. Features 80% exclusive, hitherto-unpublished archive photos and footage sequences of all the key players in situ, together with lyric sheets, Yoko's art installations, and exclusive new insights and personal testimonies from Yoko and over forty of the musicians, engineers, staff, celebrities, artists and photographers who were there-including Julian Lennon, Klaus Voormann, Alan White, Jim Keltner, David Bailey, Dick Cavett and Sir Michael Parkinson. A lot has been written about the creation of the song, the album and the film of Imagine, mainly by people who weren't there, so I'm very pleased and grateful that now, for the first time, so many of the participants have kindly given their time to 'gimme some truth' in their own words and pictures -Yoko Ono Lennon, 2018 In 1971, John Lennon & Yoko Ono conceived and recorded the critically acclaimed album Imagine at their Georgian country home, Tittenhurst Park, in Berkshire, England, in the state-of-the-art studio they built in the grounds, and at the Record Plant in New York. The lyrics of the title track were inspired by Yoko Ono's event scores in her 1964 book Grapefruit, and

she was officially co-credited as writer in June 2017. Imagine John Yoko tells the story of John & Yoko's life, work and relationship during this intensely creative period. It transports readers to home and working environments showcasing Yoko's closely guarded archive of photos and artifacts, using artfully compiled narrative film stills, and featuring digitally rendered maps, floorplans and panoramas that recreate the interiors in evocative detail. John & Yoko introduce each chapter and song; Yoko also provides invaluable additional commentary and a preface. All the minutiae is examined: the locations, the key players, the music and lyrics, the production techniques and the artworks-including the creative process behind the double exposure polaroids used on the album cover. With a message as universal and pertinent today as it was when the album was created, this landmark publication is a fitting tribute to John & Yoko and their place in cultural history.

john lennon 1980 playboy interview: The Playboy Interviews Stephen Randall, 2008 For decades, Playboy's interviews have set the gold standard for their frank, in-depth profiles of major public personalities. Few celebrities in any field have been able to resist this forum, despite the magazine's deserved reputation for not pulling punches. This book collects many of the best-- dating from the 1960s through the 1980s-- some appearing for the first time since their original magazine publication. Several of the interviews catch some of the last century's most influential people at the height of their fame. Others find them looking back on a long career. Interviewees range from Frank Sinatra in his early '60s Rat Pack days to the Beatles in '65 to Hank Aaron and Walter Cronkite in the '70s. Bob Dylan and Muhammad Ali appear in two interviews conducted more than a decade apart. The Playboy Interviews: Larger than Life offers a unique look at some of the culture's most memorable moments through the words of those who helped create them.

john lennon 1980 playboy interview: *Playboy Complete Guide to Casino Gambling* Basil Nestor, 2006

john lennon 1980 playboy interview: John Lennon John Blaney, 2005

john lennon 1980 playboy interview: Waiting for the Beatles Carol Bedford, 1984

john lennon 1980 playboy interview: **Lennon and McCartney** Thomas MacFarlane, 2022-09-30 Lennon and McCartney: Painting with Sound explores the work of two of the most influential composers of the twentieth century. Five decades after the breakup of the Beatles, the music of John Lennon and Paul McCartney continues to fascinate and inspire. Evidence suggests that their uniquely eclectic approach can be traced back to the Liverpool College of Art. Following on that idea, this book explores the creative dialogue between John Lennon and Paul McCartney, both with the Beatles and on their own, that grew out of that early influence. The book is presented in three sections: I. Stretching the Canvas considers the Liverpool College of Art as the backdrop for John and Paul's early collaborations with painter and musician Stuart Sutcliffe. This is followed by discussions of select works created by the Beatles between 1962-69. II. Extending the Space focuses on the long-distance creative dialogue between Lennon and McCartney as demonstrated in their respective solo recordings of the 1970s. III. New Colours considers the final works of the Lennon and McCartney creative dialogue as well as various McCartney solo projects released in the years that followed Lennon's death in 1980. Here, the focus is on Paul's development as a painter, its effect on his creativity, and his subsequent efforts to establish the Liverpool Institute for Performing Arts as a world-class arts conservatory.

john lennon 1980 playboy interview: John Lennon: Legendary Musician & Beatle Jennifer Joline Anderson, 2010-01-01 John Lennon was one of history's most influential musicians. This title highlights Lennon's background and his role in the formation of the groundbreaking band The Beatles. Also covered in detail are Lennon's famous war protests and his 1980 assassination. Recently released Beatles CDs, and the Cirque de Soleil masterpiece Love appealed to many young people. With Beatles songs for the Rock Band™ video game coming this fall, as well as remastered Beatles recordings, this title is a timely addition to any collection for middle and high schools and YA programs. Lives Cut Short is a series in Essential Library, an imprint of ABDO Publishing Company.

john lennon 1980 playboy interview: **John Lennon and the Mercy Street Café** William Hammett, 2007-09-01 A work of magical realism in which Lennon returns to New York City to

exorcise his demons and begin a road trip to once again give peace a chance.
