Sarah's perfectly ordered life is shattered when tragedy strikes: her beloved employer is brutally murdered. The detective investigating the case, assures Sarah that she is not a suspect. Until lightning strikes twice. There's a second killing-and this time, despite a lack of evidence connecting her to the crime, Sarah cannot escape the shadow of guilt. The only option left for Sarah is to carry on with her life. But she doesn't realize that a deranged stalker is luring her into an elaborate trap . . . one in which she, once ensnared, might never escape. For Sarah soon finds herself at the mercy of a man who will tend to her every whim, smother her with affection, and crush her in his all-consuming embrace. In a nonstop roller-coaster ride of unrelenting suspense, Linda Howard has written her most chilling novel yet. Dying to Please is a breathless thriller of desire and obsession.
