life and teachings of the masters of the far east: *The Boy Who Came Back from Heaven* Kevin Malarkey, A True Story A Remarkable Account of Miracles Angels, and Life beyond this World AN ACCIDENT, A MIRACLE , and a SUPERNATURAL ENCOUNTER that will give you new insights on Heaven, angels, and hearing the voice of God. In 2004, Kevin Malarkey and his six-year-old son, Alex, suffered a terrible car wreck. The impact from the crash paralyzed Alex – and it seemed impossible that he could survive. When Alex awoke from a coma two months later, he had an incredible story to share. Of events at the accident scene and in the hospital while he was unconscious. Of the unearthly music that sounded just terrible to a six-year-old. Of the angels who took him through the gates of Heaven itself. And, most amazing of all . . . of meeting and talking to Jesus. *The Boy Who Came Back from Heaven* is the true story of an ordinary boy's most extraordinary journey. As you see Heaven and earth through Alex's eyes, you'll come away with new insights on miracles, life beyond this world, and the power of a father's love.

life and teachings of the masters of the far east: *The Journey* Baird T. Spalding, 2021 Baird Spalding played a ground-breaking role when he introduced the Western world to the wonders of a Far East expedition in 1894. The knowledge of Masters assisting and guiding humanity in the classic book LIFE AND TEACHING OF THE MASTERS OF THE FAR EAST became legend in metaphysical circles during the first half of the 20th century and continues today as a source of spiritual enlightenment. Originally published as 3 separate volumes, DeVorss Publications is proud to release these historic books in one edition titled THE JOURNEY. It is within these 3 volumes that Spalding details an expedition that lasted 3 years and covered the mountainous landscape of Nepal and India near the close of the 19th century. There is no question, but these people have brought the Light through the long ages and they prove by their daily life and works that this Light does exist just as it did thousands of years ago. -- Baird T. Spalding--

life and teachings of the masters of the far east: *Life and Teaching of the Masters of the Far East* Baird Thomas Spalding, 1964 2010 Reprint of 1924 Edition. In 1924 Spalding published this first and most important volume of Life and Teaching of the Masters of the Far East. It describes the travels to India and Tibet of a research party of eleven scientists in 1894. During their trip they claim to have made contact with the Great Masters of the Himalayas, immortal beings with whom they lived and studied, gaining a fascinating insight into their lives and spiritual message. This close contact enabled them to witness many of the spiritual principles evinced by these Great Masters translated into their everyday lives, which could be described as 'miracles'. Such examples are walking on water, or manifesting bread to feed the hungry party. These books have remained consistently popular with spiritual seekers, those interested in the philosophy of the East and those who enjoy a good story because of their accessible nature and easy-to-follow format. However, despite most of the action taking place in India, the Great Masters make it clear that the greatest embodiment of the Enlightened state is that of the Christ (as personified by Jesus): The Masters accept that Buddha represents the Way to Enlightenment, but they clearly set forth that Christ IS Enlightenment, or a state of consciousness for which we are all seeking - the Christ light of every individual; therefore, the light of every child born into the world.

life and teachings of the masters of the far east: *Journey to the East* Baird Thomas Spalding, 2009-09-17 Baird Spalding's description on travel to the Far East offered the Western world innovative resolutions that conceptually yet conventionally transcend spiritual and intellectual

knowledge paradigm.

life and teachings of the masters of the far east: Life and Teaching of the Masters of the Far East, Vol. 3 Baird T. Spalding, 1935-06-01 ELEVEN MEN embarked upon a journey in 1894 with one objective: ...to find the great spiritual teachers of the Far East and witness their uncommon abilities. Since these Masters were scattered over a wide territory that covered a large portion of India, Tibet, China, and Persia, they knew it could take years of searching many secluded villages and hidden mountain communes. Planning each step of the journey became a challenge knowing

that countless miles of rugged terrain separated the remote and isolate locations that were imperative to the exploration. Even though they could plot their route on a map and see where they were headed, the destination deep within the souls of eleven scientifically trained men remained uncertain. Baird T. Spalding and the others were practical in nature and the thought of spiritual masters performing miracles seemed impossible. Despite these suspect thoughts, something compelled them to move onward. So they did. Volume 1: Introduction of the Master Emil. Visit to the Temple of Silence. Astral Projection. Walking on Water. Visit to the Healing Temple. Emil Talks about America. life and teachings of the masters of the far east: The Lost Years of Jesus Elizabeth Clare Prophet, 2020-12-22 "Reads like a detective thriller! It picks you up and never lets go of you." —Jess Stearn, bestselling author of Edgar Cayce, The Sleeping Prophet Ancient texts reveal that Jesus spent 17 years in the Orient. They say that from age 13 to age 29, Jesus traveled to India, Nepal, Ladakh and Tibet as both student and teacher. For the first time, Elizabeth Clare Prophet brings together the testimony of four eyewitnesses—and three variant translations—of these remarkable documents. She tells the intriguing story of how Russian journalist Nicolas Notovitch discovered the manuscripts in 1887 in a monastery in Ladakh. Critics "proved" they did not exist—then three distinguished scholars and educators rediscovered them in the twentieth century. Now you can read for yourself what Jesus said and did prior to his Palestinian mission. It's one of the most revolutionary messages of our time.

life and teachings of the masters of the far east: The Book of Enlightened Masters Andrew Rawlinson, 1997 This is the definitive and complete book about a phenomenon which did not exist a

hundred years ago, but is now growing rapidly and dramatically changing Western culture -- the rise of Western (mostly American) teachers, who fill the role of guru or master. A few books have appeared on some narrow aspects of this astounding phenomenon; this is the first book to survey the entire field. Encyclopedic in its scope, *The Book of Enlightened Masters* includes biographical essays on 140 spiritual teachers, giving their life stories and an account of their teachings. Yet it is also a user-friendly introduction, with a survey of the teachers and their teachings, a historical narrative of how and when the movement developed, and an evaluation of the issues raised by it. A century ago, there were no Western masters--no Westerners who were, for instance, Hindu swamis, Zen roshis, or Sufi sheikhs. Now there are many such teachers, with millions of followers. Starting from scratch, the West has produced its own spiritual teachers in traditions that until recently were utterly alien. And in the last quarter-century, a number of independent teachers have appeared, who belong to no single identifiable tradition. The Western masters have not merely transplanted the Eastern spiritual traditions to the West, they have transformed these traditions by their distinctively Western approach: innovative, entrepreneurial, and combining elements from previously unconnected Eastern traditions. The new teachers are changing Western culture by making available a view of the human condition which is new in the West but very attractive to large and growing numbers of Westerners, an approach Dr. Rawlinson calls spiritual psychology. Spiritual psychology holds that human beings are best understood in terms of consciousness and its modifications, that consciousness can be changed by spiritual practice, and that there are enlightened masters who have done this and can teach others.

life and teachings of the masters of the far east: The Master and His Emissary Iain McGilchrist, 2019-03-26 A new edition of the bestselling classic - published with a special introduction to mark its 10th anniversary This pioneering account sets out to understand the structure of the human brain - the place where mind meets matter. Until recently, the left hemisphere of our brain has been seen as the 'rational' side, the superior partner to the right. But is this distinction true? Drawing on a vast body of experimental research, Iain McGilchrist argues while our left brain makes for a wonderful servant, it is a very poor master. As he shows, it is the right side which is the more reliable and insightful. Without it, our world would be mechanistic - stripped of depth, colour and value.

life and teachings of the masters of the far east: Secret Teachings of Moses Aunel Va Daath, 2010-11-01 Moses, the great patriarch in the heart of Judaism, Christianity, and Islam, wrote the first five books of the Bible or Tanakh, perhaps the most influential books in Western history. Yet, because they were written in Hebrew, a highly symbolic and deeply mystical language, few have revealed the true meanings of the stories and events he described. When you know the Hebrew letters and the structures of Kabbalah, the secret teachings of Moses radiate with stark clarity, and echo throughout the entire range of Jewish and Christian scriptures, especially in the Gospels of Jesus. This book focuses on the second chapter of Genesis (Bereshit), which establishes the foundation of the Jewish and Christian religions. With this knowledge you can understand the true meaning of Adam and Eve, the Garden of Eden, the presence of the serpent, and all of the rest of the teachings that follow these symbols. Yet, this is not merely scholarly theology: by understanding what Moses actually wrote, anyone can see the true basis of human suffering and how to change it.

life and teachings of the masters of the far east: The Message of a Master John McDonald, 1929 The Message of a Master is the story of a seemingly miraculous change that takes place in a man after he meets a true master of life. He learns, and shares with us, teachings that allow him to develop his powers so that he can accomplish anything he desires.

life and teachings of the masters of the far east: The Secret Keeper Brea Brown, 2019-09-15 A free first-in-series complete novel with no cliffhanger. Peyton Stratford is her family's

unofficial keeper of all things secret, from the petty and mundane to the potentially life-changing. But Peyton is keeping a secret of her own. And it's a doozy. Pastor Brice Northam is used to hearing secrets. After all, it's part of his job description. But he's about to hear one that's going to challenge him almost as much as his feelings for the person confessing. Peyton needs some serious help from Brice, but how much does she dare tell him? And what, exactly, is Brice hiding from Peyton—and himself? Clearly they both have some serious soul-searching to do. But maybe, just maybe, the answer to secrets isn't silence. Or more secrets. Maybe it's love. * * * Note: While the Secret Keeper series does feature some characters who are Christian (the hero is a pastor, so that's a dead giveaway), it is not a Christian romance in the traditional sense, and some characters find themselves in adult situations and using strong language. Not that the pastor approves! But he's fallen in love with a complex, modern woman whose life is anything but predictable. If you think you could too, then dive in. Bring your sense of humor and your compassion, and then hold on for the emotional ride of your life! Chick lit, romantic comedy, rom com, humorous love story, second chance

life and teachings of the masters of the far east: The Teachings of a Sufi Master Seyed Mostafa Azmayesh, 2016-01-27 In this book the reader is exposed to teachings of Sufism, which is branch of Gnosticism (the esoteric path to self-awareness). Each individual is composed of an existence and an essence. The latter is an evolving reality. At any moment an individual can become a demon or an angel. One radically becomes a demon if the demonic drives of his ego take charge - an angel if the angelic attributes of his spirit occupy the terrain. The person who seeks victory of his spirit over his ego produces waves around his spirit-waves that will be captured by him who will teach the person the techniques of esoteric development. He will appear in the person's life at the opportune moment...

life and teachings of the masters of the far east: Spirit of the Western Way Tina Louise Spalding, 2016-12-19 Change Your Reality by Changing Your Mind “This book describes the systematic and problematic features of your mindset and the society that your collective consciousness is manufacturing so that you can change them. Until you know what has been done to you — until you know what parts of society are harmful to you and to your spiritual evolution — you are stuck. “Western civilization has been manipulated for a very, very long time into negative, low-frequency manifestations and structures of control, limitation, fear, and judgment. You cannot change this until you first see it, accept that it is so, and then, in awareness, shift your consciousness. “These higher-frequency shifts and changes are difficult to attain unless you know what has been inflicted on you and what choices you are making and how they affect you. We bring you basic teachings about reality: what it is, where you come from, why you are here, what your body is, how you get sick, why you thrive, and more. “This book is brought to you by many beings of high frequency who love you and your society very much. We have been assigned the spiritual practice to bring these teachings through this being so that we can help point you in the correct direction to find your way Home. We are Ananda. We are your friends, your teachers, and your fellow travelers on this most magnificent journey into consciousness.” — Ananda

life and teachings of the masters of the far east: *A Better Way to Pray* Andrew Wommack, 2007 After nearly four decades of ministry, Andrew Wommack has discovered some important truths about prayer. His prayer life is much different than it was thirty years ago and the results have dramatically improved! You may be asking many of the same questions Andrew once did. Is prayer my Christian duty? Is prayer primarily about asking God to meet my needs and the needs of others? Is God's answer to my prayer based on the degree of my humility and sincerity? Is answered prayer a sovereign decision of God or do I have the ability to influence Him? Clear, scriptural answers to these questions and more could significantly change the way you pray. These principles may not be the only way to pray, but if you're not getting the results you desire, consider changing directions; maybe there is A Better Way to Pray.
