old man on a bike: *Old Man on a Bike* Simon Gandolfi, 2013-12-19 A Septuagenarian Odyssey

old man on a bike: *Old Man on a Bicycle* Don Petterson, 2014-06-10 When Don Petterson, a former American ambassador, told family and friends he intended to ride a bicycle from New Hampshire to San Francisco, most of them questioned his judgment, if not his sanity. He was in his seventies, hadn't been on a bike for years, and had never ridden more than a few miles at a time. But, in May 2002, putting doubters-and self-doubt-behind him, Petterson headed west. Laboring against strong headwinds, struggling up steep hills, or coping with extreme weather, he sometimes wondered what in the world he was doing. But he kept going-the lure of riding his bike across the Golden Gate a compelling incentive. Ahead of him lay many challenges-among them, riding his loaded bike over the Rocky Mountains and Sierra Nevada, crossing the Great Plains in brutal summer heat, dealing with the aftermath of a collision with a car, and traversing Nevada's basin and range country and the Great Salt Lake's desert. His rewards included passing through spectacular mountain forests, experiencing the aching beauty of the lonely plains, and viewing the grandeur of the West's sculpted canyons and mesas. In *Old Man on a Bicycle*, the author relates how he prepared for the 3,600-mile journey and what he saw and did during the two months he was on the road. In addition he rebuts the misconception that aging means debilitating decline and, drawing on certain events of his ride, offers research-based advice on how to ease the physical aspects of aging. It's an inspirational account, emphasizing the importance of exercise to physical and mental well-being.

old man on a bike: *One Man and His Bike* Mike Carter, 2011-06-02 What would happen if you were cycling to the office and just kept on pedalling? Needing a change, Mike Carter did just that. Following the Thames to the sea he embarked on an epic 5,000 mile ride around the entire British coastline - the equivalent of London to Calcutta. He encountered drunken priests, drag queens and gnome sanctuaries. He met fellow travellers and people building for a different type of future. He also found a spirit of unbelievable kindness and generosity that convinced him that Britain is anything but broken. This is the inspiring and very funny tale of the five months Mike spent cycling the byways of the nation.

old man on a bike: *One Year on a Bike* Martijn Doolaard, 2017 Martijn Doolaard traded in the convenience of a car and the distractions of daily life for a cross-continental cycling journey: a biped adventure from Amsterdam to Singapore. Leaving behind repetitive routines, *One Year on a Bike* indulges in slow travel, the subtlety of a gradually changing landscape, and the lessons learned through travelling. Venturing through Eastern European fields of yellow rapeseed to the intimate hosting culture in Iran, *One Year on a Bike* is a vivid chronicle of what can happen when the norm is pointedly replaced by exceptional self-discoveries and beautiful sceneries. Doolaard shares the gear and knowledge that made his trip possible. -- Provided by publisher.

old man on a bike: *Bicycle Man* Alan Snel, 2020-06 Bicyclist/journalist Alan Snel decided to pack a lifetime of bicycle misadventures, crazy times and tender moments into a collection of bicycle stories thatspan nearly 40 years. Bicyclingcan be about giving you a ride to work, a front-row seat to see nature, a meditation session, a workout or a ride across the country. Alan has bicycled it all and tried it all, even trying to increase the profile of bicycling in Tampa Bay -- talk about a long uphill ride. This is Alan's love sonnet to bicycling in all its forms. Never stop pedaling.

old man on a bike: *I Love My Bike* Simon Mole, 2024-05-07 *I Love My Bike* tells the story of a girl's first experience with her bike, and is filled with beautiful illustrations and a heartwarming

message of perseverance. There's a flame on the frame and I love how it feels from my head to my heels when my feet push the pedals and the pedals turn the wheels. I love my bike. *I Love My Bike* is a picture book about a daughter learning to ride a bike with the help of her father. It's also about that exhilarating feeling you get when you succeed at something for the first time as a child. And, most importantly, it's about learning that when you fall off, the best thing to do is get back on again! The story is told through wonderful watercolours from critically acclaimed artist Sam Usher, with words from children's poet Simon Mole. old man on a bike: *It's All About the Bike* Robert Penn, 2011-04-26 Robert Penn has saddled up nearly every day of his adult life. In his late twenties, he pedaled 25,000 miles around the world. Today he rides to get to work, sometimes for work, to bathe in air and sunshine, to travel, to go shopping, to stay sane, and to skip bath time with his kids. He's no Sunday pedal pusher. So when the time came for a new bike, he decided to pull out all the stops. He would build his dream bike, the bike he would ride for the rest of his life; a customized machine that reflects the joy of cycling. *It's All About the Bike* follows Penn's journey, but this book is more than the story of his hunt for two-wheel perfection. En route, Penn brilliantly explores the culture, science, and history of the bicycle. From artisanal frame shops in the United Kingdom to California, where he finds the perfect wheels, via Portland, Milan, and points in between, his trek follows the serpentine path of our love affair with cycling. It explains why we ride. *It's All About the Bike* is, like Penn's dream bike, a tale greater than the sum of its parts. An enthusiastic and charming tour guide, Penn uses each component of the bike as a starting point for illuminating excursions into the rich history of cycling. Just like a long ride on a lovely day, *It's All About the Bike* is pure joy- enriching, exhilarating, and unforgettable.

old man on a bike: *Bike Snob* BikeSnobNYC, 2011-04-29 "Equal parts critical manifesto and tender mini-memoir about a boy and his bikes" from Eben Weiss, blogger and author of *The Enlightened Cyclist* (GQ). Cycling is exploding in a good way. Urbanites everywhere, from ironic hipsters to earth-conscious commuters, are taking to the bike like aquatic mammals to water. BikeSnobNYC—cycling's most prolific, well-known, hilarious, and anonymous blogger—brings a fresh and humorous perspective to the most important vehicle to hit personal transportation since the horse. *Bike Snob* treats readers to a laugh-out-loud rant and rave about the world of bikes and their riders and offers a unique look at the ins and outs of cycling, from its history and hallmarks to its wide range of bizarre practitioners. Throughout, the author lampoons the missteps, pretensions, and absurdities of bike culture while maintaining a contagious enthusiasm for cycling itself. *Bike Snob* is an essential volume for anyone who knows, is, or wants to become a cyclist. "This is a social manual that should be bundled with every bike shipped in America." —Christian Lander, author of *Stuff White People Like* "I like to think I know a thing or two (or three) about being ruthless and relentless—either trying to win the Tour or fighting cancer. The Snob knows it too. Keeping us dorks in line is tough work. I take pleasure in getting picked on by the Snob, slightly more pleasure in reading his writing, but take the most pleasure punishing his ass (my payback) on the bike either in Central Park or on 9W/River Road. Long live the Snob." —Lance Armstrong

old man on a bike: *Everyone Can Learn to Ride a Bicycle* Chris Raschka, 2013-04-09 "[Raschka's] marvelous sequences, fluid style, and emotional intelligence capture all of the

momentum and exhilaration of this glorious accomplishment,” raves School Library Journal in a starred review. Learning to ride a bike is one of the most important milestones of childhood, and no one captures the emotional ups and downs of the experience better than Chris Raschka, who won the 2012 Caldecott Medal for *A Ball for Daisy*. In this simple yet emotionally rich guide, a father takes his daughter through all the steps in the process—from choosing the perfect bicycle to that triumphant first successful ride. Using very few words and lots of expressive pictures, here is a picture book that not only shows kids how to learn to ride, but captures what it feels like to fall . . . get up . . . fall again . . . and finally by luck, grace, and determination ride a bicycle!

old man on a bike: *Rising from the Plains* John McPhee, 2011-04-01 Pulitzer Prize-winning author John McPhee continues his *Annals of the Former World* series about the geology of North America along the fortieth parallel with *Rising from the Plains*. This third volume presents another exciting geological excursion with an engaging account of life—past and present—in the high plains of Wyoming. Sometimes it is said of geologists that they reflect in their professional styles the sort of country in which they grew up. Nowhere could that be more true than in the life of a geologist born in the center of Wyoming and raised on an isolated ranch. This is the story of that ranch, soon after the turn of the twentieth century, and of David Love, the geologist who grew up there, at home with the composition of the high country in the way that someone growing up in a coastal harbor would be at home with the vagaries of the sea.

old man on a bike: *Downhills Don't Come Free* Jerry Holl, 2017-06-27 Biking from Alaska to Mexico solo is hard enough. But when you throw in bad weather, flat tires, hair-raising roadways, and unpredictable grizzly bears, only a fool would keep going. Fortunately, Jerry Holl was just the fool for this particular two-wheeled odyssey. Coming off a lifetime of corporate positions, he wasn't exactly prepared—his most trusted companion on the trip was a bike he didn't know how to fix. But inexperience and lack of a concrete plan didn't stop him. For fifty-one days, Holl pedaled his way across two countries, encountering everything weird and wondrous North America had to offer. *Downhills Don't Come Free* takes you through the ups and downs (literal and figurative) of Holl's ride. By turns amusing and reflective, self-deprecating and self-assured, it chronicles every aspect of the journey, from the breathtaking vastness of the Alaskan-Canadian wilderness to the fortitude, generosity, and eccentricity of the people he met along the way.

old man on a bike: *Boy's Life* Robert McCammon, 2011-10-18 An Alabama boy's innocence is shaken by murder and madness in the 1960s South in this novel by the New York Times bestselling author of *Swan Song*. It's 1964 in idyllic Zephyr, Alabama. People either work for the paper mill up the Tecumseh River, or for the local dairy. It's a simple life, but it stirs the impressionable imagination of twelve-year-old aspiring writer Cory Mackenson. He's certain he's sensed spirits whispering in the churchyard. He's heard of the weird bootleggers who lurk in the dark outside of town. He's seen a flood leave Main Street crawling with snakes. Cory thrills to all of it as only a young boy can. Then one morning, while accompanying his father on his milk route, he sees a car careen off the road and slowly sink into fathomless Saxon's Lake. His father dives into the icy water to rescue the driver, and finds a beaten corpse, naked and handcuffed to the steering wheel—a copper wire tightened around the stranger's neck. In time, the townsfolk seem to forget all about the unsolved murder. But Cory and his father can't. Their search for the truth is a journey into a world where innocence and evil collide. What lies before them is the stuff of fear and awe, magic and madness, fantasy and reality. As Cory wades into the deep end of Zephyr and all its mysteries, he'll discover that while the pleasures of childish things fade away, growing up can be a strange and beautiful ride. “Strongly echoing the childhood-elegies of King and Bradbury, and every bit their equal,” *Boy's Life*, a winner of both the Bram Stoker and World Fantasy Awards, represents a brilliant blend of mystery and rich atmosphere, the finest work of one of today's most accomplished writers (Kirkus Reviews).

In this big-hearted collection of stories, Joe -- dubbed the Metal Cowboy by a blind rancher he encountered one icy morning in Idaho -- tells of his whimsical, wild adventures through the American landscape.

old man on a bike: Duck on a Bike David Shannon, 2016-07-26 In this off-beat book perfect for reading aloud, a Caldecott Honor winner shares the story of a duck who rides a bike with hilarious results. One day down on the farm, Duck got a wild idea. "I bet I could ride a bike," he thought. He waddled over to where the boy parked his bike, climbed on, and began to ride. At first, he rode slowly and he wobbled a lot, but it was fun! Duck rode past Cow and waved to her. "Hello, Cow!" said Duck. "Moo," said Cow. But what she thought was, "A duck on a bike? That's the silliest thing I've ever seen!" And so, Duck rides past Sheep, Horse, and all the other barnyard animals. Suddenly, a group of kids ride by on their bikes and run into the farmhouse, leaving the bikes outside. Now ALL the animals can ride bikes, just like Duck! old man on a bike: Riding Man Mark Gardiner, 2012-07-15 For 100 years, the Isle of Man Tourist Trophy races have been the world's most dangerous organized sporting event. As one of thirty thousand fans who attended the annual spectacle, Mark Gardiner harbored no illusions about his own skill or bravery. He was, however, an avid motorcyclist for whom the race represented a boyhood dream. He went home, quit his job, sold everything he owned, and returned to the Island to race there himself. *Riding Man* is the account of an Everyman, struggling to qualify for -- and survive -- the TT races. If you're a dreamer, the lesson in this book is that the pursuit of any worthwhile goal involves risks, rewards and, almost inevitably some regrets. If you're not a dreamer, the lesson is more important: the deepest regrets are always over risks not taken.

old man on a bike: *Five Minutes of Amazing* Chris Graham, Wendy Holden, 2016-09-22 This story poses a profound question - do we accept the hand that fate deals us, or do we battle to make the most of the life we have and help others in the process? Chris Graham, just 38 years old but already facing the advanced stages of Alzheimer's disease, has emphatically chosen the latter. Having lived through a troubled childhood, Chris joined the British Army at a young age and found that the life of a soldier provided him with a much-needed sense of stability. However, his world was turned upside down when, at just 34 years of age, he was diagnosed with a form of early onset dementia. This brutal disease had already claimed the life of his father at 42, along with several other members of his family, and tragically had already confined his brother to a nursing home at the age of 43. In his brother's life, Chris could see a terrifying window into his own near future. Chris, though, is an extraordinary human being. Having been handed nothing less than a death sentence, he decided overnight to stand up to this horrendous disease and do something to leave his mark before it was too late. And so it was that last year, Chris embarked on an awareness-raising 16,000-mile solo cycle around North America, armed only with his bike, a sense of humour, and some good old-fashioned British grit. Leaving his ever-supportive wife Vicky and baby son Dexter at home, he took on huge challenges - for instance, the fear that the ability to discern left from right might leave him at any point while navigating an entire continent - and made it home in time for Christmas, determined to spending however long he has left pouring his love and attention into his family life. *Five Minutes of Amazing* is both the story of Chris' epic journey and of his fight against the disease increasingly being recognised as the defining disease of our generation. Inspiring and heart-rending in equal measure, it's as important as it is moving, and it will touch everyone who

reads it.

old man on a bike: *Home is Elsewhere* Eric Van Den Berg, 2015-10-31 In November 1962, the then 22-year-old Stücker left his job as a tool and die maker and rode out of his hometown on a three-speed bike, with a dream to explore the world on two wheels. During his travels, Stücker encountered many obstacles and near death experiences, which saw him hit by a truck in Chile's Atacama Desert, chased by an angry mob in Haiti, attacked by bees in Mozambique, detained by military in Cameroon and losing his bike in Siberia before having it stolen in Portsmouth. Stücker's extraordinary desire to travel the world was partly motivated by his aversion to returning to factory work in his native Germany. Heinz Stücker is now back where he started: in Hövelhof, the German village he happily cycled away from half a century ago. He visited 196 countries, got through 21 passports, and ended up with a tidy number of 100,000 photos to sort out. He came across Pelé, got pocket money from Haile Selassie, and even slept under the arms of Christ the Redeemer. He cycled more than 648,000 kilometres, most of them on an ordinary gents' bike, and several thousands on a Brompton folding bike. Heinz 'wanted to see it all'. Dutch travel writer Eric van den Berg, who dug into his vast collection of journals, photos, postcards and notes, visited the now 75 year old cyclist to get an answer to that most pressing question: why? His philosophy of 'home is elsewhere' comes through in the daily routines, unexpected encounters and inevitable mishaps of a lifelong adventurer and Einzelgänger, and not least through the pictures Heinz took himself.

old man on a bike: *The All-Road Bike Revolution* Jan Heine, 2020-11-15 Modern all-road bikes combine attributes that were considered mutually exclusive just a few years ago: comfort and performance. Speed on smooth pavement and on rough gravel roads. A lively feel and the ability to carry a camping load. Handling that is both stable when the rider is tired and responsive on twisty mountain descents. old man on a bike: *Claude And His Bus* Claude Boucher, In a fast-paced and frantic world, it feels like the most important thing is getting from point A to point B as fast as possible. But sometimes, the urgency of the modern world makes us forget that the journey is just as important too - even if the journey is seemingly as simple as the route the bus takes every day. As a transit bus driver, Claude Boucher ferries passengers from every walk of life. He connects with each of his passengers as best he can, sharing with them their highs and their lows as they traverse through life. In *Claude and His Bus*, his passion for his work and kindness toward his passengers shines through, showing that there is still room for positivity and laughter in an otherwise busy society. From late-night drunken passengers to lost Canadian immigrants, Claude has seen it all, and his heart has done nothing but grow with compassion. Join Claude as he tells over sixty stories of his time as a public transit driver. From hilarious to heartwarming, his experiences are a feel-good reminder that even something as small as a smile and a "thank you" can change the trajectory of someone's entire day.

old man on a bike: *The Original and Thrilling Tale of Ricky Sweetman* Maurice John Weistra, 2020-09-18 The quiet neighbourhood was lined with majestic old-growth oaks, the faded, cracked roads and sidewalks bordered with once grand family homes still hanging onto a sliver of their former presence. One would be likely to assume it a subdued and uneventful place where the most interesting thing in a day may be a treed cat. But behind these brick facades and old peeling bay windows, there's a dark secret. A boy lives trapped, tortured by a most unusual and terrible means, slowly dying at the hands of the one he depends most. Trusting that only she can keep him safe, he is far from realizing he is the victim of an ultimate betrayal. The sleepy neighbourhood hides another danger, a twisted predator who lurks nearby, he knows of the boy but rather than help, he plans only harm... but not quite yet, not till the time is right, there are things to finish so everything is simply perfect for the terrible party he is planning for just the two of them. And last, an ex-con, newly released, trying to stay on the straight and narrow. With temptations and problems of his own, this unlikely character may be the boy's only hope. Though the child doesn't realize it, this imposing man with his own dark past may be his one true friend and protector. When these three worlds collide, anything might happen. There is no way to predict where the chips will fall, and no avoiding the inevitable clash. One thing is certain however, the neighbourhood will never be the same.
