**palo alto stories by james franco 1: *Directing Herbert White*** James Franco, 2014-04-11 The debut poetry collection by the actor, director, and writer James Franco I'm a nocturnal creature, And I'm here to cheat time. You can see time and exhaustion Taking pay from my face— In fifty years My sleep will be death, I'll go like the rest, But I'll have played All the games and all the roles. —from "Nocturnal" "There's never been a book quite like this. Hollywood — fame, celebrity, the promise of becoming an artist — is the beast at its center. Franco knows it like Melville knows whaling. Hollywood in this book devours its young. Obsessed with myths about its own past, it can be survived only by finding a vantage point that is not Hollywood. Bold yet subtle, fearless yet disarming, Franco has made a book you will never forget." — Frank Bidart, winner of the Bollingen Prize in American Poetry "A star-studded cast moves like ghosts across the screen of James Franco's poetic consciousness, imbuing the writing with scenes of icons who are also humans replete with sorrow and presence in our own psyches. James Dean, Monica Vitti, Catherine Deneuve, Sal Mineo, Heath Ledger, pass and fade. The author has a wonderful self-reflexive insouciance about his own fame and roles inhabited, from Hart Crane to Allen Ginsberg to Harvey Milk's lover. Franco is a gifted contemporary Renaissance kind of guy, surveying the waterfront of illusion, suffering, and impermanence. We leave the movie theater a little wiser." — Anne Waldman, poet, editor, scholar, and cultural/political activist

**palo alto stories by james franco 1: Straight James / Gay James** James Franco, 2015-12-21 Straight James / Gay James, actor James Franco's new chapbook of poems, explores the facets of his public and private personas. Straight James / Gay James is a poetic bildungsroman—raw, candid, and uninhibited. His poetic style varies from the imagistic to the prosaic. The chapbook also contains an interview of "Gay James" conducted by "Straight James." Yes, Straight James asks the question: "Let's get substantial: are you f\*\*\*\*\*g gay or what?"

**palo alto stories by james franco 1: James Franco** James Franco, Frank Bidart, Eric Boman, Jason Schmidt, Marianne Spurr, 2012 Considered one of the finest actors of his generation, James Franco is also a multitalented writer and visual artist. Drawing from his experience in film and television work, Franco has produced a visually exciting and thought-provoking body of video works, multimedia installations, and large-scale sculptures. Drawn from the exhibition curated by Alanna Heiss and organized by the Clocktower Gallery, James Franco: The Dangerous Book Four Boys explores themes of childhood and nostalgia, games and destruction. Each experimental film, suite of drawings, and raw, childlike construction is presented as a window into the artist's mind. This dense and often diaristic survey reflects Franco's interest in the contemporary American landscape of adolescence and young adulthood.

**palo alto stories by james franco 1: *By Nightfall*** Michael Cunningham, 2010-09-28 Peter and Rebecca Harris: mid-forties denizens of Manhattan's SoHo, nearing the apogee of committed careers in the arts—he a dealer, she an editor. With a spacious loft, a college-age daughter in Boston, and lively friends, they are admirable, enviable contemporary urbanites with every reason, it seems, to be happy. Then Rebecca's much younger look-alike brother, Ethan (known in the family as Mizzy, the mistake), shows up for a visit. A beautiful, beguiling twenty-three-year-old with a history of drug problems, Mizzy is wayward, at loose ends, looking for direction. And in his presence, Peter finds himself questioning his artists, their work, his career—the entire world he has so carefully constructed. Like his legendary, Pulitzer Prize-winning novel, *The Hours*, Michael Cunningham's masterly new novel is a heartbreaking look at the way we live now. Full of shocks and aftershocks, it makes us think and feel deeply about the uses and meaning of beauty and the place of love in our lives.

**palo alto stories by james franco 1: *Hollywood Dreaming*** James Franco, 2014-09-23 In his follow-up to *A California Childhood*, James Franco reflects on his life in Hollywood and beyond through an intimate and powerful series of poems, artwork, and short stories. In his follow-up to the critically acclaimed *A California Childhood*, James Franco presents a compelling portrait of the life of a young actor coming into his own in Hollywood. Told in an absorbing array of literary styles and art forms—from short stories and poems to personal snapshots, paintings and self-portraits—*Hollywood Dreaming* brilliantly pieces together the youth of a seemingly familiar actor, playfully blurring the line between reality and fiction. The escapades of a jaded Hollywood insider counter a series of inter-connected stories about a boy named Shrimp and the hopeful young actor he becomes. Each piece of the story, whether visual or textual, thoughtfully peels away another layer of the book's protagonist, whose character unfolds like a Russian nesting doll. Ultimately, the collage that James Franco creates becomes a fascinating caricature of himself, a performance on the page that is equal parts provocative, funny, and emotional.

**palo alto stories by james franco 1: *Naked*** Betsy Franco, 2013-10-18 When Jesse Lucas, a troubled, magnetic acting major, touches the sculpture *Meditation* in Stanford's Rodin Sculpture Garden, he burns his finger on the bronze. By the time he returns to the garden that night, an eighteen-year-old girl has emerged from the statue, naked and disoriented. It is 2008, yet her mind is swimming with vivid, fractured memories of her volatile past in nineteenth-century Paris—of serving as Rodin's muse, of her passionate affair with the acclaimed artist, and of her own creations. So begins Betsy Franco's extraordinary and imaginative novel, *Naked*. Stranded in the sculpture garden, Camille—or Cat, as she insists on being called—forms a deep bond with Jesse, who is soon leaving for college and is as lonely and disturbed as she. As Jesse encourages Cat to confront the sinister memories that afflict her, she helps him overcome the fury he has toward his abusive father and find peace within himself. Rich, inventive, and told with a compelling mix of grace and wry humor, *Naked* is a bold debut that explores love, loss, and the power of art, and brings to mind the magical realism found in *The Time Traveler's Wife* and *Midnight in Paris*.

The Irish workers of *The Shovel Kings* have pipe dreams of becoming millionaires in London, but long for their quickly changing homeland-exiles in both places. *Green Georgette* is a searing anatomy of class, through the eyes of a little girl; *Old Wounds* illuminates the importance of family and memory in old age. **palo alto stories by james franco 1: *Strongest of the Litter*** James Franco, 2012-11 There is a vision of power at the center of James Franco's first chapbook of poems, *Strongest of the Litter*. Power here is both generative and frightening, self-consuming and bracing. It is the artist's power of self-making. These poems, thoroughly beautiful and spare, have the texture of contending angles. Authenticity can be achieved only through different voices: in an investigation of the range and strength of American art, in homage to Williams Carlos Williams, in awe at the cost to American actors of their art (notably Taylor, Clift, De Niro and Brando), in the celebration and limitation of Kowalski love -- I'm a raging Kowalski whose / Temper can be measured by // How little I can give. / How abusive my reticence. Pervasive in these eloquent poems is the power of memory, the collective memory of Hollywood and specific memories of the poet's own past.

**palo alto stories by james franco 1:** Homesick for Another World Ottessa Moshfegh, 2017-01-17 A New York Times Book Review Notable Book of 2017 An electrifying first collection from one of the most exciting short story writers of our time I can't recall the last time I laughed this hard at a book. Simultaneously, I'm shocked and scandalized. She's brilliant, this young woman.—David Sedaris Ottessa Moshfegh's debut novel Eileen was one of the literary events of 2015. Garlanded with critical acclaim, it was named a book of the year by The Washington Post and the San Francisco Chronicle, nominated for a National Book Critics Circle Award, short-listed for the Man Booker Prize, and won the PEN/Hemingway Award for debut fiction. But as many critics noted, Moshfegh is particularly held in awe for her short stories. Homesick for Another World is the rare case where an author's short story collection is if anything more anticipated than her novel. And for good reason. There's something eerily unsettling about Ottessa Moshfegh's stories, something almost dangerous, while also being delightful, and even laugh-out-loud funny. Her characters are all unsteady on their feet in one way or another; they all yearn for connection and betterment, though each in very different ways, but they are often tripped up by their own baser impulses and existential insecurities. Homesick for Another World is a master class in the varieties of self-deception across the gamut of individuals representing the human condition. But part of the unique quality of her voice, the echt Moshfeghian experience, is the way the grotesque and the outrageous are infused with tenderness and compassion. Moshfegh is our Flannery O'Connor, and Homesick for Another World is her Everything That Rises Must Converge or A Good Man is Hard to Find. The flesh is weak; the timber is crooked; people are cruel to each other, and stupid, and hurtful. But beauty comes from strange sources. And the dark energy surging through these stories is powerfully invigorating. We're in the hands of an author with a big mind, a big heart, blazing chops, and a political acuity that is needle-sharp. The needle hits the vein before we even feel the prick.

**palo alto stories by james franco 1:** Diary of an Oxygen Thief Anonymous, 2016-05-23 Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. Diary of an Oxygen Thief is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

**palo alto stories by james franco 1:** The Ultimate Evil Maury Terry, 1989 With new evidence linking Charlie Manson and the Son of Sam--Jacket.

**palo alto stories by james franco 1:** A California Childhood James Franco, 2014-08-12 The trade paperback reprint of James Franco's thoughtful reflection on childhood through a series of personal snapshots, sketches, paintings, poems, and short stories. An actor treads the line between reality and fiction every time he plays a part, and for James Franco, that exploration isn't limited to the screen—he's also a visual artist with several exhibitions under his belt as well as the author of the widely praised story collection Palo Alto. In A California Childhood he plays with the concept of memoir through personal snapshots, sketches, paintings, poems, and stories. "I was born in 1978 at Stanford Hospital and spent my first eighteen years in a single house at the end of a cul-de-sac in Palo Alto," Franco writes in his introduction. Steve Jobs's daughter and the grandson of one of the Hewlett-Packard founders may have both been in his graduating class, but just across the freeway from his home turf lay East Palo Alto, which in 1992 had the highest murder rate per capita in the country. For Franco, the terrain of his upbringing is fraught with the complication of a city divided. But within that diversity, universal aspects of adolescence rise to the surface, and those are the subjects at the heart of Franco's work. Ultimately this is a portrait of a childhood brightened by California sunshine, but with trouble waiting in the shadows. At turns funny, dark, and emotional, the journey of this book delivers an undeniable immediacy. And at the end, the reader is left wondering just where the boundary lies between Franco's art and his true life.

**palo alto stories by james franco 1:** Greek Poems to the Gods Barry B. Powell, 2022-08-09 The ancient Greek hymnic tradition translated beautifully and accessibly. The hymn—as poetry, as

craft, as a tool for worship and philosophy—was a vital art form throughout antiquity. Although the Homeric Hymns have long been popular, other equally important collections have not been readily accessible to students eager to learn about ancient poetry. In reading hymns, we also gain valuable insight into life in the classical world. In this collection, early Homeric Hymns of uncertain authorship appear along with the carefully wrought hymns of the great Hellenistic poet and courtier Callimachus; the mystical writings attributed to the legendary poet Orpheus, written as Christianity was taking over the ancient world; and finally, the hymns of Proclus, the last great pagan philosopher of antiquity, from the fifth century AD, whose intellectual influence throughout western culture has been profound. Greek Poems to the Gods distills over a thousand years of the ancient Greek hymnic tradition into a single volume. Acclaimed translator Barry B. Powell brings these fabulous texts to life in English, hewing closely to the poetic beauty of the original Greek. His superb introductions and notes give readers essential context, making the hymns as accessible to a beginner approaching them for the first time as to an advanced student continuing to explore their secrets. Brilliant illustrations from ancient art enliven and enrich the experience of reading these poems.

**palo alto stories by james franco 1: More Money Than God** Sebastian Mallaby, 2011-05-03 Wealthy, powerful, and potentially dangerous, hedge-fund managers have emerged as the stars of twenty-first century capitalism. Based on unprecedented access to the industry, *More Money Than God* provides the first authoritative history of hedge funds. This is the inside story of their origins in the 1960s and 1970s, their explosive battles with central banks in the 1980s and 1990s, and finally their role in the financial crisis of 2007-9. Hedge funds reward risk takers, so they tend to attract larger-than-life personalities. Jim Simons began life as a code-breaker and mathematician, co-authoring a paper on theoretical geometry that led to breakthroughs in string theory. Ken Griffin started out trading convertible bonds from his Harvard dorm room. Paul Tudor Jones happily declared that a 1929-style crash would be 'total rock-and-roll' for him. Michael Steinhardt was capable of reducing underlings to sobs. 'All I want to do is kill myself,' one said. 'Can I watch?' Steinhardt responded. A saga of riches and rich egos, this is also a history of discovery. Drawing on insights from mathematics, economics and psychology to crack the mysteries of the market, hedge funds have transformed the world, spawning new markets in exotic financial instruments and rewriting the rules of capitalism. And while major banks, brokers, home lenders, insurers and money market funds failed or were bailed out during the crisis of 2007-9, the hedge-fund industry survived the test, proving that money can be successfully managed without taxpayer safety nets. Anybody pondering fixes to the financial system could usefully start here: the future of finance lies in the history of hedge funds.

**palo alto stories by james franco 1: Let's Talk About Love** Carl Wilson, 2014-03-13 For his 2007 critically acclaimed 33 1/3 series title, *Let's Talk About Love*, Carl Wilson went on a quest to find his inner Céline Dion fan and explore how we define ourselves by what we call good and bad, what we love and what we hate. At once among the most widely beloved and most reviled and lampooned pop stars of the past few decades, Céline Dion's critics call her mawkish and overblown while millions of fans around the world adore her "huge pipes" and even bigger feelings. How can anyone say which side is right? This new, expanded edition goes even further, calling on thirteen prominent writers and musicians to respond to themes ranging from sentiment and kitsch to cultural capital and musical snobbery. The original text is followed by lively arguments and stories from Nick

Hornby, Krist Novoselic, Ann Powers, Mary Gaitskill, James Franco, Sheila Heti and others. In a new afterword, Carl Wilson examines recent cultural changes in love and hate, including the impact of technology and social media on how taste works (or doesn't) in the 21st century.

**palo alto stories by james franco 1: The Obama Diaries** Laura Ingraham, 2010-07-13 The Diary of President Barack Obama The White House May 19, 2010 I was going to write about tonight's state dinner for Mexico and the amnesty plan, but we've got a national crisis here! I think somebody's been snooping in this diary! The pages are all wrinkled! And the most personal entries are dog-eared! WHAT THE HELL'S GOING ON HERE? (WASHINGTON, D.C.) On May 20, 2010, Laura Ingraham received a package from an anonymous source that will change the history of the United States and the legacy of President Barack Obama. While retrieving her automobile from the underground garage at the Watergate complex (where she had just enjoyed her weekly pedicure), Ingraham discovered a manila envelope on the hood of her car. When she picked it up, a deep baritone voice called out from a nearby stairwell: Just read it. You'll know what to do. The shadowy figure then disappeared into the darkness without another word. The envelope contained copies of what appeared to be diary entries written by President Barack Obama, his family, and high-ranking administration officials. Because the diaries are so revealing, Ingraham felt compelled to release them to the American public and the citizens of the world. Major media outlets love to describe the president as no drama Obama, but The Obama Diaries tells a different tale. Through these diary entries, readers will see past the carefully constructed Obama façade to the administration's true plans to remake America. In The Obama Diaries, Ingraham hilariously skewers the president and his minions. She takes aim at: •the cynical razzle-dazzle marketing of Obama's radical agenda •the use of the Obama brand and family to obscure Obama's true aims •Michelle Obama's gardening and anti-obesity initiative; and much more. Informative and hugely entertaining, The Obama Diaries will inspire both laughter and critical thinking about the future of the nation and the man currently at the helm. •the use of the Obama brand and family to obscure Obama's true aims •Michelle Obama's gardening and anti-obesity initiative; and much more. Informative and hugely entertaining, The Obama Diaries will inspire both laughter and critical thinking about the future of the nation and the man currently at the helm. Excerpts from Laura Ingraham's The Obama Diaries Obama on Sarah Palin: Hell, doesn't Palin have anything better to do than criticize me? Shouldn't she be back home shooting some endangered wolf species from a helicopter? (April 9, 2010) Michelle on being First Lady: I'll be damned if all this fabulosity is going to go to waste reading Dr. Seuss to snot-nosed kids all day. (January 23, 2009) Vice President Joe Biden on Michelle Obama: She's kind of like a black Hillary Clinton. I mean that in a good way. (May 5, 2009) Obama on his visit to the Vatican: If I can ingratiate myself with a few more of these red-hats, the pope thing might not be a bad follow-up to the presidency. (July 10, 2009)

**palo alto stories by james franco 1: Shekhina** Donald Burton Kuspit, 2002 Essay by Donald Kuspit The first monograph by famed actor and director Leonard Nimoy, this eerily beautiful photographic study of the female form reveals Nimoy's intrigue with Old Testament mythology and ancient spirituality. The Shekhina, described by the Kabbala as God's feminine counterpart, is understood by mystics to be a crucial element of both divine and human spirit, symbolising the creativity and wisdom without which no being is complete. Here, Nimoy uses 50 duotone photos as an exhaustive investigation of his own spirituality.

**palo alto stories by james franco 1: World Class** Teru Clavel, 2020-10-06 "An upbeat chronicle of [Clavel's] children's school experiences in Hong Kong, Shanghai, and Tokyo...[offering] advice about vetting schools and enriching children's education." —Kirkus Reviews "An intriguing volume on the differences in global education." —Library Journal A must-read firsthand exploration of why Asian students are outpacing their American counterparts and how to help our children excel in today's competitive world. When Teru Clavel had young children, she watched her friends and

fellow parents vie for spots in elite New York City schools. Instead of losing herself in the intensive applications and interview process, Teru and her family moved to Asia, embarking on a decade-long journey through the public schools of Hong Kong, Shanghai, and Tokyo. These schools were low-tech and bare-bones, with teachers who demanded obedience and order. In Hong Kong, her children's school was nicknamed The Prison for its foreboding facilities, yet her three-year-old loved his teachers and his nightly homework. In Tokyo, the students were responsible for school chores, like preparing and serving school lunches. Yet Teru was amazed to discover that her children thrived in these academically competitive cultures; they learned to be independent, self-confident, resilient, and, above all, they developed a deep love of learning. When the family returned to the States, the true culture shock came when the top schools could no longer keep up with her children. Written with warmth and humor, *World Class* is a compelling story about how to inspire children to thrive academically. "Studded with lists of useful tips about choosing schools and hiring tutors, for parents who must advocate for their children and supplement gaps in their educations" (Publishers Weekly) and an insightful guide to set your children on a path towards lifelong success.

**palo alto stories by james franco 1: *Black Sabbath's Master of Reality*** John Darnielle, 2008-04-15 John Darnielle describes *Master of Reality* in the voice of a fifteen-year-old boy being held in an adolescent psychiatric center in southern California in 1985. The narrator explains *Black Sabbath* like an emissary from an alien race describing his culture to his captors: passionately, patiently, and lovingly.

**palo alto stories by james franco 1: *My Ideal Bookshelf*** Thessaly La Force, 2012-11-13 The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In *My Ideal Bookshelf*, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

**palo alto stories by james franco 1: *The Garden of Last Days: A Novel*** Andre Dubus III, 2009-06-01 "So good, so damn compulsively readable, that I can hardly believe it." —Stephen King, *Entertainment Weekly* In his stunning follow-up to the #1 best-selling *House of Sand and Fog*, Andre Dubus draws us into the lives of three deeply flawed, driven people whose paths intersect on a September night in Florida. April, a stripper, has brought her daughter to work at the Puma Club for Men. There she encounters Bassam, a foreign client both remote and too personal, and free with his money. Meanwhile, another man, AJ, has been thrown out of the club, and he's drunk and angry and lonely. From these explosive elements comes a relentless, raw, and page-turning narrative that seizes the reader by the throat with psychological tension, depth, and realism.
