proof of heaven by dr eben alexander: Proof of Heaven Eben Alexander, 2012-10-23 Shares an account of his religiously transformative near-death experience and revealing week-long coma, describing his scientific study of near-death phenomena while explaining what he learned about the nature of human consciousness.

proof of heaven by dr eben alexander: *Proof of Heaven* Eben Alexander, 2012-10-23 A Harvard-trained neurosurgeon shares a minute-by-minute account of his religiously transformative near-death experience and revealing week-long coma, describing his scientific study of near-death phenomena while explaining what he learned about the nature of human consciousness. 200,000 first printing.

proof of heaven by dr eben alexander: The Map of Heaven Eben Alexander, 2014-10-07 The author of the #1 New York Times bestseller *Proof of Heaven* teams up with the sages of times past, modern scientists, and with ordinary people who have had profound spiritual experiences to show the reality of heaven and our true identities as spiritual beings. When Dr. Eben Alexander told the story of his near-death experience and his vivid journey to the other side, many readers wrote to say it resonated with them profoundly. Thanks to them, Dr. Alexander realized that sharing his story allowed people to rediscover what so many in ancient times knew: there is more to life, and to the universe, than this single earthly life. Dr. Alexander and his coauthor Ptolemy Tompkins were surprised to see how often his readers' visions of the afterlife synced up with each other and with those of the world's spiritual leaders, as well as its philosophers and scientists. In *The Map of Heaven*, he shares the stories people have told him and shows how they are echoed both in the world's faiths and in its latest scientific insights. It turns out there is much agreement, across time and terrain, about the journey of the soul and its survival beyond death. In this book, Dr. Alexander makes the case for heaven as a genuine place, showing how we have forgotten, but are now at last remembering, who we really are and what our destiny truly is. *The Map of Heaven* takes the broad view to reveal how modern science is on the verge of the most profound revolution in recorded history—all around the phenomenon of consciousness itself!

proof of heaven by dr eben alexander: *We Don't Die* Sandra Champlain, 2013-05-01 "We Don't Die: A Skeptic's Discovery of Life After Death" gives credible evidence of life after death. The goal of "We Don't Die" is to have people believe that their deceased loved ones are still near them, help them navigate through the grieving process and educate that we are 'eternal souls having a human experience. It is unique because it teaches people about the grieving process, keeping relationships whole, gives awe inspiring exercises that the reader experiences that we must be 'more than our bodies.' It gets readers in touch with the purpose of their lives and gets them on the path to producing results. Readers will no longer fear death, their pain of losing someone will be lessened, they will have hope, faith, and powerful access to live a successful life.

proof of heaven by dr eben alexander: *Living in a Mindful Universe* Eben Alexander, Karen Newell, 2017-10-17 Dr. Eben Alexander, author of international phenomenon *Proof of Heaven*, shares the next phase of his journey to understand the true nature of consciousness and how to cultivate a state of harmony with the universe and our higher purpose. In 2008, Dr. Eben Alexander's brain was severely damaged by a devastating case of bacterial meningitis, and he lapsed into a weeklong coma. It was almost certainly a death sentence, but he miraculously survived and brought back with him an astounding story. During those 7 days in coma, he was plunged into the deepest realms of consciousness and came to understand profound truths about the universe we inhabit. What he learned changed everything he knew about the brain, mind, and consciousness and drove him to ask a question confounding the entire scientific community: How do you explain the origins of consciousness if it is not a byproduct of the brain? His challenge relates to a revolutionary

shift now underway within our modern scientific understanding. Ultimately, direct experience is key to fully understanding how we are all connected through the binding force of unconditional love and its unlimited power to heal. In *Living in a Mindful Universe*, the New York Times bestselling author of *Proof of Heaven* and *The Map of Heaven* shares his insights into the true nature of consciousness. Embracing his radically new worldview, he began a committed program of personal exploration into nonlocal consciousness. Along the way, he met Karen Newell, who had spent most of her lifetime living the worldview he had only just discovered was possible. Her personal knowledge came from testing various techniques and theories as part of her daily routine. With *Living in a Mindful Universe*, they teach you how to tap into your greater mind and the power of the heart to facilitate enhancement of healing, relationships, creativity, guidance, and more. Using various modalities related to meditation and mindfulness, you will gain the power to access that infinite source of knowing so vital to us all, ultimately enriching every facet of your life.

proof of heaven by dr eben alexander: *Summary of Proof of Heaven* Abbey Beathan, 2019-06-10 *Proof of Heaven: A Neurosurgeon's Near-Death Experience and Journey into the Afterlife* by Eben Alexander Book Summary Abbey Beathan (Disclaimer: This is NOT the original book.) A harvard-trained neurosurgeon faced his own mortality and survived a coma that lasted 7 days. After he woke up, what he discovered during his slumber made him a believer. Driven into a coma and with no hope of surviving, Eben managed to pull through. However, in his 7-day slumber, he had vivid dreams about things he didn't know about, like a deceased birth sister he didn't get a chance to meet. He was puzzled, and as a scientist, he couldn't find an explanation. In the state his brain was, it couldn't have functioned at all. So, why did it? How could he know details about facts that he didn't know before? The answer changed his life for good. (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) Our eternal spiritual self is more real than anything we perceive in this physical realm, and has a divine connection to the infinite love of the Creator. - Eben Alexander. *Proof of Heaven* tells the tale of his attempt to comprehend consciousness and his origin. After his coma, Alexander began his journey to prove we are conscious despite our brains, as if it's embedded to our very soul. The only answer he could find through all his research was within God, so he turned to Him. Alexander assures he found scientific proof to his theory and is willing to show us in his new book, are you willing to listen? P.S. *Proof of Heaven* is an extremely spiritual book that talks about how a non-believer turned to God in order to find the answers he was looking for. P.P.S. It was Albert Einstein who famously said that once you stop learning, you start dying. It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world. Abbey Beathan's mission is to bring across amazing golden nuggets in amazing books through our summaries. Our vision is to make reading non-fiction fun, dynamic and captivating. One of the greatest and most powerful gift in life is the gift of knowledge. The way of success is the way of continuous pursuit of knowledge - Abbey Beathan

proof of heaven by dr eben alexander: *Proof of Heaven* Save Time Summaries, 2013-09-13 WARNING: This is not the actual book *Proof of Heaven* by Eben Alexander III M.D. Do not buy this Summary, Review & Analysis if you are looking for a full copy of this great book. We have already read *Proof of Heaven* and pulled out all the key insights, events and take-away points to give you a comprehensive chapter-by-chapter summary and review in an engaging and easily digestible format. In doing so, unfortunately we do not have the space to describe all of the helpful background scenery or events. To get it all, you need to order the full book. This concise summary and review works best as an unofficial study guide or companion to read alongside this enlightening book. **PROOF OF HEAVEN: A NUEROSURGEON'S JOURNEY INTO THE AFTERLIFE - DR. EBEN**

ALEXANDER Many are skeptical of so-called near-death experiences. Given his neuroscience background, Dr. Eben Alexander III was one of those skeptics -- until he had an experience of his own. In *Proof of Heaven*, Alexander details his terrifying but fascinating ride through a life-threatening illness and hospitalization. He drifts in and out of consciousness throughout the book, thus shifting the narrative from chapter-to-chapter. At times he describes the interactions he has with his doctors and family at his hospital bedside, while at other times he articulates the enlightening visions and encounters he experiences in another state of consciousness. By the time he has made it through this near-death experience, he has undergone a thorough transformation from nonbeliever to believer in an afterlife. Some will take issue with Alexander's claims, while others will be inspired by the important message he hopes to relay from the spiritual realm about the things that are truly important. This book is highly recommended for those who are interested in the nature of consciousness and neuroscience, near-death experiences, and the age-old questions of the existence of a higher power. FROM START-TO-FINISH IN JUST 15 MINUTES!

proof of heaven by dr eben alexander: Proof of Heaven? Coleman Luck, 2013-04
Neurosurgeon, Dr. Eben Alexander, was brain dead for seven days. During that period he believes that he went through death's door and experienced the incredible beauty of Heaven. While he was there, he was given a message to bring back to the world. For him, the vision was life-changing. From being a scientist and a secular materialist, his worldview was transformed. Because of what happened to him, he now believes in the miraculous and in a life beyond death. But did he experience reality? Was the message that he was given true? Coleman Luck has spent decades studying illusions and the paranormal, both as a professional writer in Hollywood where illusion is the stock-in-trade, and as a mentalist and member of the Academy of Magical Arts at the world-famous Magic Castle in Hollywood. Also, he is a student of the Bible, educated at the Moody Bible Institute in Chicago. From this unique perspective Coleman examines the profound visions and truth-claims presented in *Proof of Heaven*. Coleman's other books include *Angel Fall* and *The Mentalist Prophecies - Book One: Dagon's Illusion*.

proof of heaven by dr eben alexander: Proof of Heaven in 30 Minutes Garamond Press, 2013-05-28 *Proof of Heaven ...in 30 Minutes* is your guide to quickly understanding the spiritual lessons in Dr. Eben Alexander's life-changing book, *Proof of Heaven: A Neurosurgeon's Journey into the Afterlife*. In *Proof of Heaven*, neurosurgeon Dr. Eben Alexander recollects his near-death experience and how it convinced him that there was proof of heaven. As told in *Proof of Heaven*, Alexander had a brush with death while in a seven-day coma, during which he experienced a transformative spiritual journey. Though his neocortex, the part of the brain that's responsible for higher-level functions, was inactive the whole time, his conscious mind experienced rich spiritual realms, giving him proof of heaven existing. Formerly an atheist, Alexander recounts his spiritual transformation in *Proof of Heaven* and shares the truths he learned as a result of his journey. An essential read for believers and skeptics alike, *Proof of Heaven* provides readers insight into a neurosurgeon's experience with the afterlife. Use this helpful guide to understand *Proof of Heaven* in a fraction of the time, with tools such as: · A concise synopsis examining the remarkable near-death experience recounted in *Proof of Heaven* · In-depth analyses of Dr. Eben Alexander's spiritual transformation detailed in *Proof of Heaven* · Explanations of the three fundamental truths from *Proof of Heaven*, revealed to Alexander during his venture, and how to apply these lessons to your life · An insightful background on Alexander, a former associate professor of surgery at Harvard Medical School · An extensive recommended reading list and bibliography related to *Proof of Heaven* As with all books in the 30 Minute Expert Series, this book is intended to be purchased alongside the reviewed title, *Proof of Heaven: A Neurosurgeon's Journey into the Afterlife*.

proof of heaven by dr eben alexander: The Boy Who Came Back from Heaven Kevin Malarkey, *A True Story A Remarkable Account of Miracles Angels, and Life beyond this World AN ACCIDENT, A MIRACLE , and a SUPERNATURAL ENCOUNTER* that will give you new insights on Heaven, angels, and hearing the voice of God. In 2004, Kevin Malarkey and his six-year-old son, Alex, suffered a terrible car wreck. The impact from the crash paralyzed Alex - and it seemed

impossible that he could survive. When Alex awoke from a coma two months later, he had an incredible story to share. Of events at the accident scene and in the hospital while he was unconscious. Of the unearthly music that sounded just terrible to a six-year-old. Of the angels who took him through the gates of Heaven itself. And, most amazing of all . . . of meeting and talking to Jesus. The Boy Who Came Back from Heaven is the true story of an ordinary boy's most extraordinary journey. As you see Heaven and earth through Alex's eyes, you'll come away with new insights on miracles, life beyond this world, and the power of a father's love.

proof of heaven by dr eben alexander: The Hot Young Widows Club Nora McInerny, 2019-04-30 From the host of the popular podcast, Terrible, Thanks for Asking, comes a wise, humorous roadmap and caring resource for anyone going through the loss of a loved one—or even a difficult life moment. In the span of a few weeks, thirty-something Nora McInerny had a miscarriage, lost her father to cancer, and lost her husband due to a brain tumor. Her life fell apart. What Nora discovered during this dark time is that, when you're in these hard moments, it can feel impossible to feel like even a shadow of the person you once were. People will give you all sorts of advice of how to hold onto your sanity and sense of self. But how exactly? How do you find that person again? Welcome to The Hot Young Widows Club, Nora's response to the toughest questions about life's biggest struggles. The Hot Young Widows Club isn't just for people who have lost a spouse, but an essential tool for anyone who has gone through a major life struggle. Based on her own experiences and those of the listeners dedicated to her podcast, Terrible, Thanks for Asking, Nora offers wise, heartfelt, and often humorous advice to anyone navigating a painful period in their lives. Full of practical guidance, Nora also reminds us that it's still okay to laugh, despite your deep grief. She explores how readers can educate the people around them on what to do, what to say, and how to best to lend their support. Ultimately, this book is a space for people to recognize that they aren't alone, and to learn how to get through life's hardest moments with grace and humor, and even hope.

proof of heaven by dr eben alexander: Summary: Proof of Heaven: A Neurosurgeon's Journey into the ... ,

proof of heaven by dr eben alexander: Beyond Physicalism Edward F. Kelly, Adam Crabtree, Paul Marshall, 2015-02-19 The rise of modern science has brought with it increasing acceptance among intellectual elites of a worldview that conflicts sharply both with everyday human experience and with beliefs widely shared among the world's great cultural traditions. Most contemporary scientists and philosophers believe that reality is at bottom purely physical, and that human beings are nothing more than extremely complicated biological machines. On such views our everyday experiences of conscious decision-making, free will, and the self are illusory by-products of the grinding of our neural machinery. It follows that mind and personality are necessarily extinguished at death, and that there exists no deeper transpersonal or spiritual reality of any sort. Beyond Physicalism is the product of an unusual fellowship of scientists and humanities scholars who dispute these views. In their previous publication, Irreducible Mind, they argued that physicalism cannot accommodate various well-evidenced empirical phenomena including paranormal or psi phenomena, postmortem survival, and mystical experiences. In this new theory-oriented companion volume they go further by attempting to understand how the world must be constituted in order that these "rogue" phenomena can occur. Drawing upon empirical science, metaphysical philosophy, and the mystical traditions, the authors work toward an improved "big picture" of the general character of reality, one which strongly overlaps territory traditionally occupied by the world's institutional religions, and which attempts to reconcile science and spirituality by finding a middle path between the polarized fundamentalisms, religious and scientific, that have dominated recent public discourse. Contributions by: Harald Atmanspacher, Lorilai Biernacki, Bernard Carr, Wolfgang Fach, Michael Grosso, Michael Murphy, David E. Presti, Gregory Shaw, Henry P. Stapp, Eric M. Weiss, and Ian

Whicher

proof of heaven by dr eben alexander: Truth Or Territory Jim Osman, 2015-09-11 This book offers a critique of common spiritual warfare practices including binding Satan, renouncing curses, spiritual mapping and exorcisms. Using Scripture, and Scripture alone, Pastor Jim Osman shows that true spiritual warfare is not a battle over territory, but a battle for the truth. The book is divided into four sections: Establishing Biblical Principles, Exposing Unbiblical Practices, Explaining Biblical Perspectives and Examining a Biblical Passage. A biblical approach to spiritual warfare recognizes the Bible as the sole authority, rejects unbiblical and man-made methods, and rests in Christ and His finished work for victory. Many in the modern spiritual warfare movement teach a methodology of spiritual warfare that is more akin to something you would find in a Harry Potter novel (renouncing curses and using prayer mantras to seize territory) than anything described in Scripture. Many of these practices reflect a theology built on anecdotes, experience, and interviews with demons rather than a sound exegesis of Scripture. Footnoted quotations of authors like Mark Bubeck, Neil T. Anderson, and others are compared against Scripture to show that modern spiritual warfare experts have abandoned the authority of Scripture and opted for man-made methods to wage spiritual battle. The chapters include a study of the three enemies that every Christian faces: the world, the flesh, and the devil. Pastor Osman answers from Scripture the questions: Can a Christian be demon-possessed? Is Christ's authority ours? and, What about exorcisms? One chapter includes a helpful discussion of the link between spiritual warfare and a believer's sanctification. The foreword is written by international conference speaker Justin Peters (justinpeters.org). This book is being published as an e-book as a fundraiser to finish the new church building of Kootenai Community Church (www.kootenaichurch.org) of which Jim is one of the pastors. All the proceeds go the building fund for the completion of that project. You can see regular updates at <http://www.truthorterritory.com>.

proof of heaven by dr eben alexander: Heaven Is for Real Todd Burpo, Lynn Vincent, 2016-07-11 A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven. Heaven Is for Real is the true story of the four-year old son of a small town Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how reaaaally big God and his chair are, and how the Holy Spirit shoots down power from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.

proof of heaven by dr eben alexander: To Heaven and Back Mary C Neal, 2012-10-01 A doctor's account of her own experience of death, heaven and return to life with a new realization of her purpose on earth. Dr Mary Neal, an orthopaedic surgeon, was on a kayaking holiday in Chile. Sceptical of near death experiences, she was to have her life transformed when her kayak became wedged in rocks at the bottom of a waterfall and was underwater for so long that her heart stopped. To Heaven And Back is Mary's faith-enriching story of her spiritual journey, her first-hand experience of heaven and its continuing life-enhancing effects.

proof of heaven by dr eben alexander: Proof of Heaven in 30 Minutes - The Expert Guide to Eben Alexander's Critically Acclaimed Book The 30 Minute Expert Series, 2013-05-01 A pragmatic neurosurgeon escapes death and discovers truth in the afterworld. Proof of Heaven ...in 30 minutes is the essential guide to quickly understanding Dr. Eben Alexander's life-altering journey into the afterlife, as told in his best-selling book, Proof of Heaven. Understand the key ideas of Proof of Heaven in a fraction of the time, using this guide's: Concise synopsis, which examines the remarkable near-death experience recounted in Proof of Heaven In-depth analysis of Dr. Alexander's spiritual transformation, including the three fundamental truths revealed to him during his venture

into the afterworld Insightful background on Dr. Alexander, a former associate professor of surgery at Harvard Medical School Extensive recommended reading list and bibliography In *Proof of Heaven*, Dr. Eben Alexander, a neurosurgeon with a deep scientific understanding of how the brain works, recounts his brush with death and the transformative spiritual journey that transpired during his seven-day coma. Though his neocortex, the part of the brain that's responsible for higher-level functions, was inactive the whole time, his conscious mind experienced rich spiritual realms that are recounted in great detail in *Proof of Heaven*. Formerly an atheist, Alexander conveys his experiences with the Divine source of the universe, and shares the three essential truths he learned as a result of his near-death experience: God's gift is unconditional love, we are all intrinsically connected to an infinite universe, and belief is a powerful force for healing and happiness. A remarkable story, *Proof of Heaven* recounts a neurosurgeon's journey into the afterlife and the life-changing answers he discovered along the way. About the 30 Minute Expert Series Offering a concise exploration of a book's ideas, history, application, and critical reception, each text in the 30 Minute Expert Series is designed for busy individuals interested in acquiring an in-depth understanding of seminal works. The series offers detailed analyses, critical presentations of key ideas and their application, extensive reading lists for additional information, and contextual understanding of the work of leading authors. Designed as companions to the original works, the 30 Minute Expert Series enables readers to develop expert knowledge of important works ...in 30 minutes. As with all books in the 30 Minute Expert Series, this book is intended to be purchased alongside the reviewed title, *Proof of Heaven: A Neurosurgeon's Journey into the Afterlife*.

proof of heaven by dr eben alexander: *The Irresistible Revolution* Shane Claiborne, 2008-09-09 Living as an Ordinary Radical Many of us find ourselves caught somewhere between unbelieving activists and inactive believers. We can write a check to feed starving children or hold signs in the streets and feel like we've made a difference without ever encountering the faces of the suffering masses. In this book, Shane Claiborne describes an authentic faith rooted in belief, action, and love, inviting us into a movement of the Spirit that begins inside each of us and extends into a broken world. Shane's faith led him to dress the wounds of lepers with Mother Teresa, visit families in Iraq amidst bombings, and dump \$10,000 in coins and bills on Wall Street to redistribute wealth. Shane lives out this revolution each day in his local neighborhood, an impoverished community in North Philadelphia, by living among the homeless, helping local kids with homework, and "practicing resurrection" in the forgotten places of our world. Shane's message will comfort the disturbed, and disturb the comfortable . . . but will also invite us into an irresistible revolution. His is a vision for ordinary radicals ready to change the world with little acts of love.

proof of heaven by dr eben alexander: *Skeptic* Michael Shermer, 2016-01-12 Collected essays from bestselling author Michael Shermer's celebrated columns in *Scientific American* For fifteen years, bestselling author Michael Shermer has written a column in *Scientific American* magazine that synthesizes scientific concepts and theory for a general audience. His trademark combination of deep scientific understanding and entertaining writing style has thrilled his huge and devoted audience for years. Now, in *Skeptic*, seventy-five of these columns are available together for the first time; a welcome addition for his fans and a stimulating introduction for new readers.

proof of heaven by dr eben alexander: *The Science of Near-Death Experiences* John C. Hagan, 2017-01-30 What happens to consciousness during the act of dying? The most compelling answers come from people who almost die and later recall events that occurred while lifesaving resuscitation, emergency care, or surgery was performed. These events are now called near-death experiences (NDEs). As medical and surgical skills improve, innovative procedures can bring back patients who have traveled farther on the path to death than at any other time in history. Physicians and healthcare professionals must learn how to appropriately treat patients who report an NDE. It is estimated that more than 10 million people in the United States have experienced an NDE. Hagan and the contributors to this volume engage in evidence-based research on near-death experiences and include physicians who themselves have undergone a near-death experience. This book establishes a new paradigm for NDEs.

proof of heaven by dr eben alexander: Evidence of the Afterlife Jeffrey Long, Paul Perry, 2011-01-04 The Most Compelling Scientific Evidence for Life Beyond Death Ever Compiled Evidence of the Afterlife shares the firsthand accounts of people who have died and lived to tell about it. Through their work at the Near Death Experience Research Foundation, radiation oncologist Jeffrey Long and his wife, Jody, have gathered thousands of accounts of near-death experiences (NDEs) from all over the world. In addition to sharing the personal narrative of their experiences, visitors to the website are asked to fill out a one hundred-item questionnaire designed to isolate specific elements of the experience and to flag counterfeit accounts. The website has become the largest NDE research database in the world, containing over 1,600 NDE accounts. The people whose stories are captured in the database span all age groups, races, and religious affiliations and come from all over the world, yet the similarities in their stories are as awe-inspiring as they are revealing. Using this treasure trove of data, Dr. Long explains how medical evidence fails to explain these reports and why there is only one plausible explanation—that people have survived death and traveled to another dimension.

proof of heaven by dr eben alexander: Essential Healing Paul Aurand, 2021-06-01 “A gem. It is filled with the wisdom of life and our potential for healing.” —Bernie S. Siegel, MD, author of *Love, Medicine and Miracles* “A classic testimony of the tenacity and unity of our body and mind.” —Larry Dossey, MD, author of *One Mind Heal* the emotional scars of the past and develop profound spiritual awareness with innovative, hypnotherapy and regression-based practices. Deep within you resides a great spirit—a place of profound wisdom, creativity, power, and love. But layers of hurt from early life, and from the defenses you’ve created to avoid further hurt, have accumulated and diminished that spirit over time—lifetimes, really—obscuring what is magnificent about you—your authentic self. This transformational and healing guide will help you awaken to the wisdom within yourself, break through the layers of emotional protection you’ve placed around your heart, and heal the scars of trauma that hold you back from happiness and fulfillment. During this process, you’ll discover the source of your pain—whether that lies in your body, your mind, in your personal and family history, or in your soul—so you can finally release it. In the end, you’ll find the strength needed to navigate all the challenges of life. If you’re ready to reveal the true you—the one that lies beneath the scars of trauma—this book provides essential healing to guide you.

proof of heaven by dr eben alexander: Fulfilled Dr. Anna Yusim, 2017-06-27 Are you living the life you thought you always wanted but feel that something is still missing? Do you think you should be happier than you are, considering all that you have? Have you achieved your professional or personal goals but still feel racked with insecurities, anxiety, or depression . . . and can't figure out why? Psychiatrist Anna Yusim knows just how you feel. Not only has she struggled with these feelings herself, but she has also worked with patients upon patients who have expressed the same bewildering concern: they have everything they've always wanted, and yet deep down they don't feel fulfilled. Determined to help herself and her patients, Dr. Yusim spent more than fifteen years studying and conducting research and came to a startling conclusion: this lingering feeling of dissatisfaction coincides with spiritual neglect. Once she helped her patients address their spiritual and psychological needs, she saw radical improvements in their happiness levels and quality of life. Now science is catching up with her innovative approach to therapy as groundbreaking medical research and studies substantiate what Dr. Yusim and many others have suspected for years: spirituality is a powerful path to healing. Drawing from the best in Western medicine, as well as teachings from Kabbalah, Buddhism, and shamanistic traditions, Dr. Yusim has developed a program that marries empirical science and spirituality to help you: Discover your life's true purpose Eliminate self-defeating patterns and roadblocks that are keeping you from living your most authentic life Understand the scientific underpinnings behind answered prayers and random coincidences-and why having faith in them can change your outlook for the better Appreciate how consciousness shapes your reality and how to harness this understanding to live a life of abundance. Filled with exercises, guided meditations, fascinating scientific research, and inspiring success stories, *Fulfilled* integrates the best of Western medicine with universal spiritual principles to help

you find more meaning, more joy, and more fulfillment in your life.

proof of heaven by dr eben alexander: 7 Lessons from Heaven Mary C. Neal, M.D., 2017-09-19 NEW YORK TIMES BESTSELLER • In this inspired follow-up to the million-copy bestseller *To Heaven and Back*, Dr. Mary Neal (featured in the Netflix original series *Surviving Death*) shares untold stories about her encounters with Jesus and powerful insights about how the reality of heaven can make each day magnificent. “If you want practical ways to bring more of Heaven into your life today, Dr. Neal shows how.”—John Burke, pastor and author of New York Times bestseller *Imagine Heaven* Dr. Mary Neal’s unforgettable account of the Chilean kayaking accident that took her life and sent her on a journey to heaven and back riveted millions of readers. But as she shared her story with audiences throughout the world, Dr. Neal realized she had more to tell, especially on the biggest questions, such as how does her story help others? And how does knowing that heaven is real change our lives here on Earth? In *7 Lessons from Heaven*, Dr. Neal takes readers deeper into her experience, which included meeting Jesus face-to-face, encounters with angels, and a journey to a “city of light.” She digs into important findings about the physiology of drowning, and shares why—from the perspective of heaven—we can know that beauty blossoms from even our greatest losses. Then she shows how each of us can personally experience God’s presence, develop an absolute trust in the truth of God’s promises, and learn how to live joyfully every day.

proof of heaven by dr eben alexander: At Heaven's Door William J. Peters, 2023-01-03 A “brilliant and fascinating” (Eben Alexander, MD, author of *Proof of Heaven*) exploration—rich with powerful personal stories and convincing research—of the many ways the living can and do accompany the dying on their journey into the afterlife. In 2000, end-of-life therapist William Peters was volunteering at the Zen Hospice Project in San Francisco when he had an extraordinary experience as he was reading aloud to a patient: he suddenly felt himself floating midair, completely out of his body. The patient, who was also aloft, looked at him and smiled. The next moment, Peters felt himself return to his body...but his patient never regained consciousness and died. Perplexed and stunned by what had happened, Peters began searching for other people who’d shared similar experiences. He would spend the next twenty years gathering and meticulously categorizing their stories to identify key patterns and features of what is now known as the “shared crossing” experience. The similarities, which cut across continents and cultures and include awe-inspiring visual and sensory effects, and powerful emotional aftershocks. The book is filled with “moving and tender” (Jack Kornfield, PhD, author of *A Path with Heart*) tales of spouses seeing their loved ones reach the other side after decades together and bereaved parents who share their children’s entry into the afterlife. Applying rigorous research, Peters digs into the effects of these shared crossing experiences impart—liberation at the sight of a loved one finding joy, a sense of reconciliation if the relationship was fraught—and explores questions like: What can explain these shared death experiences? How can we increase our likelihood of having one? What do these experiences tell us about what lies beyond? And, most importantly, how can they help take away the sting of death and better prepare us for our own final moments? How can we have both a better life and a better death?

proof of heaven by dr eben alexander: Summary of Proof of Heaven Abbey Beathan, 2018-06-08 *Proof of Heaven: A Neurosurgeon's Near-Death Experience and Journey into the Afterlife* by Eben Alexander | Book Summary | Abbey Beathan (Disclaimer: This is NOT the original book. If you're looking for the original book, search this link: <http://amzn.to/2Er18Xd>) A harvard-trained neurosurgeon faced his own mortality and survived a coma that lasted 7 days. After he woke up, what he discovered during his slumber made him a believer. Driven into a coma and with no hope of surviving, Eben managed to pull through. However, in his 7-day slumber, he had vivid dreams about things he didn't know about, like a deceased birth sister he didn't get a chance to meet. He was puzzled, and as a scientist, he couldn't find an explanation. In the state his brain was, it couldn't have functioned at all. So, why did it? How could he know details about facts that he didn't know before? The answer changed his life for good. (Note: This summary is wholly written and published

by Abbey Beathan. It is not affiliated with the original author in any way) Our eternal spiritual self is more real than anything we perceive in this physical realm, and has a divine connection to the infinite love of the Creator. - Eben Alexander. Proof of Heaven tells the tale of his attempt to comprehend consciousness and his origin. After his coma, Alexander began his journey to prove we are conscious despite our brains, as if it's embedded to our very soul. The only answer he could find through all his research was within God, so he turned to Him. Alexander assures he found scientific proof to his theory and is willing to show us in his new book, are you willing to listen? P.S. Proof of Heaven is an extremely spiritual book that talks about how a non-believer turned to God in order to find the answers he was looking for. P.P.S. It was Albert Einstein who famously said that once you stop learning, you start dying. It was Bill Gates who said that he would want the ability to read faster if he could only have one superpower in this world. Abbey Beathan's mission is to bring across amazing golden nuggets in amazing books through our summaries. Our vision is to make reading non-fiction fun, dynamic and captivating. The way of success is the way of continuous pursuit of knowledge - Abbey Beathan

proof of heaven by dr eben alexander: *Revelations from Heaven* Randy Kay, 2021-09-21 What was it like to be face to face with Jesus? What does Heaven look like? And what did Randy Kay learn from his afterlife encounter? As a human development researcher, medical advisor, and director of clinical support, Randy Kay was not given to fantastical ideas about the spirit realm or embellished divine encounters. But after clinically dying in the hospital, Randy Kay had a life-changing afterlife experience with Jesus in Heaven. In his first book, *Dying to Meet Jesus*, Randy shared this experience, but not the supernatural insights and profound discoveries he received. Now, Randy senses a timely assignment from the Holy Spirit to answer the question so many readers have asked: what did you learn while you were in Heaven? In *Revelations from Heaven*, Randy leads you into a heavenly encounter of your own, revealing 31 revelations that God is unveiling to you. These insights include Emboldened Prayer: A biblical perspective on encounters in Heaven and how they embolden our prayer lives. Conversations with Jesus: Insights that were exchanged while Randy communicated with Jesus in Heaven. Angelic and Demonic Activity: How there is a very real, invisible realm battling over the souls of humanity. Race and Ethnicity in Heaven: In eternity, how do people see one another and how does God see them? The Sights, Sounds, and Senses of Heaven: In Heaven, the five senses are enhanced and there are new senses that earthly language cannot explain. Heavens Perspective on Sadness and Grief: How tears are kept and collected in bottles. The Difference Between Paradise and Heaven: When a believer dies, where do they really go? Take hold of the amazing truths that Heaven has released through Randys incredible experience, and see for yourself the powerful life-change that can accompany *Revelations from Heaven*.

proof of heaven by dr eben alexander: *Heaven* Randy Alcorn, 2011-12-09 Over 1 Million Copies Sold! Have you ever wondered . . . ? What is Heaven really going to be like? What will we look like? What will we do every day? Won't Heaven get boring after a while? We all have questions about what Heaven will be like, and after twenty-five years of extensive research, Dr. Randy Alcorn has the answers. In the most comprehensive and definitive book on Heaven to date, Randy invites you to picture Heaven the way Scripture describes it—a bright, vibrant, and physical New Earth, free from sin, suffering, and death, and brimming with Christ's presence, wondrous natural beauty, and the richness of human culture as God intended it. This is a book about real people with real bodies enjoying close relationships with God and each other, eating, drinking, working, playing,

traveling, worshiping, and discovering on a New Earth. Earth as God created it. Earth as he intended it to be. The next time you hear someone say, "We can't begin to image what Heaven will be like," you'll be able to tell them, "I can." "Other than the Bible itself, this may well be the single most life-changing book you'll ever read." —Stu Weber "This is the best book on Heaven I've ever read." —Rick Warren "Randy Alcorn's thorough mind and careful pen have produced a treasury about Heaven that will inform my own writing for years to come." —Jerry B. Jenkins "Randy does an awesome job of answering people's toughest questions about what lies on the other side of death." —Joni Eareckson Tada About the Author Randy Alcorn is an author and the founder and director of Eternal Perspective Ministries, a nonprofit ministry dedicated to teaching principles of God's Word and assisting the church in ministering to unreached, unfed, unborn, uneducated, unreconciled, and unsupported people around the world. A New York Times bestselling author of over 50 books, including *Heaven*, *The Treasure Principle*, *If God Is Good*, *Happiness*, and the award-winning novel *Safely Home*, his books sold exceed eleven million copies and have been translated into over seventy languages.

proof of heaven by dr eben alexander: *Dying to Be Me* Anita Moorjani, 2022-03-08 THE NEW YORK TIMES BESTSELLER! I had the choice to come back ... or not. I chose to return when I realized that 'heaven' is a state, not a place In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within this enhanced e-book, Anita recounts—in words and on video—stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. In *Dying to Be Me*, Anita Freely shares all she has learned about illness, healing, fear, being love, and the true magnificence of each and every human being!

proof of heaven by dr eben alexander: *The Handbook of Near-Death Experiences* Janice Miner Holden, Bruce Greyson, M.D., Debbie James, 2009-06-22 A team of international experts presents the history, recent developments, and controversies in the intriguing study of near-death experience. Experts from around the world share the history and current state of near-death experience (NDE) knowledge. They explore controversies in the field, offer stories from their research, and express their hopes for the future of investigation into this fascinating phenomenon. As modern medical techniques for resuscitation advance, NDEs are more frequently reported. These include more than the popular notions of moving through a tunnel or seeing a light. They also include people, once revived, knowing things their knowledge of which can't currently be explained. As *The Handbook of Near-Death Experiences: Thirty Years of Investigation* makes clear, great controversy exists in the medical and psychological fields concerning NDEs. Are they caused by physiological changes in the brain, or are they biological reactions to oxygen loss or impending death? Are they a product of changing states of consciousness? Or are they caused by something else altogether? All of these ideas and more are discussed in this unique and comprehensive volume.

proof of heaven by dr eben alexander: *How Consciousness Creates Reality* Claus Janew, 2009-08-18 This is the abridged version of the book of the same title, written out of the desire to examine the structure of our reality from a standpoint unbiased by established teachings, be they academic-scientific, popular-esoteric, or religious in nature. Claus Janew begins with seemingly simple interactions in our daily lives, examines how they originate on a deeper level, comes to understand the essentials of consciousness, and finally recognizes that we create our reality in its entirety. In the course of this quest, the reader will uncover little-heeded paths to accessing the subconscious, other individuals, and that which can be understood by the term God. And the solution to the classical problem of free will constitutes the gist of the concepts thus revealed. You do not need to bring previous philosophical knowledge to the reading of this text, but simply an interest in

fundamental interconnections, a certain openness and the willingness to think along. This is a treatise which explains the most fundamental results of the authors research and their respective central argument, and which can serve as a stimulus for a more extensive examination of reality. May it bring you thoughtful pleasure and subtle delight.

proof of heaven by dr eben alexander: *Beyond Death* Gary R. Habermas, J. P. Moreland, 2004-01-29 Death - and what lies beyond - is not something you consider every day. But the thought of it raises some intriguing questions: Are there good reasons for believing in life after death? What is the afterlife like? How valid are the reports of near death experiences? Do heaven and hell exist? And if so, how can hell be reconciled with a loving God? By sharing the very latest scientific, philosophical, anthropological, ethical, and theological evidence on life after death, noted Christian scholars Habermas and Moreland present a strong case for immortality with this book. They begin by taking up the question of whether life after death is real and what evidence supports its reality. They then explore what the afterlife is like and go on to show how having this reality in your future should affect the way you live here and now. This book will reassure you that there's no need to fear death - as long as you're prepared eternity that follows. It's also a great aid in developing a serious biblical, rational, and even scientific defense for the belief in life beyond the grave.

proof of heaven by dr eben alexander: *Dark Night, Early Dawn* Christopher M. Bache, 2000-05-26 Combining philosophical reflections with deep self-exploration to delve into the ancient mystery of death and rebirth, this book emphasizes collective rather than individual transformation. Drawing upon twenty years of experience working with nonordinary states, the author argues that when the deep psyche is hyper-simulated using Stanislaw Grof's powerful therapeutic methods, the healing that results sometimes extends beyond the individual to the collective unconscious of humanity itself.

proof of heaven by dr eben alexander: *The Scalpel and the Soul* Allan J. Hamilton, MD, FACS, 2008-03-13 A Harvard-educated neurosurgeon reveals his experiences—in and out of the operating room—with apparitions, angels, exorcism, after-death survival, and the miracle of hope. For the millions who have enjoyed *Proof of Heaven*, *Heaven is Real*, *To Heaven and Back*, and *Getting to Heaven*—an inspiring tale from where the veil between life and death is often at its thinnest. *The Scalpel and the Soul* explores how premonition, superstition, hope, and faith not only become factors in how patients feel but can change outcomes. It validates the spiritual manifestations physicians see every day and empowers patients to voice their spiritual needs when they seek medical help. Finally, it addresses the mysterious, attractive powers the soul exerts during life-threatening events.

proof of heaven by dr eben alexander: *Flight to Heaven* Capt. Dale Black, Ken Gire, 2010-05-01 Imagine getting a glimpse of heaven, a preview of life in God's presence. Could life here ever be the same? Capt. Dale Black has flown as a commercial pilot all over the world, but one flight changed his life forever—an amazing journey to heaven and back. The only survivor of a horrific plane crash, Dale was hovering between life and death when he had a wondrous experience of heaven. What he saw, what he heard, and what he learned there continues to ripple through his life and touch others. Against all odds, Dale miraculously recovered from his injuries and learned to fly again. Now, with his life as a testament, he shares his inspiring story—offering hope and encouragement for those dealing with serious injuries or the loss of a loved one, and those looking for assurance about this life and the next. Experience a Life-Changing Vision of Heaven

proof of heaven by dr eben alexander: *90 Minutes in Heaven* Don Piper, Cecil Murphey, 2014-06-24 In the ten years since *90 Minutes in Heaven* was published, millions of people worldwide have read the incredible true story of Don Piper's experience with death and life—and in reading they have found their own lives changed. After a semi-truck collided with Don Piper's car, he was pronounced dead at the scene. For the next ninety minutes, he experienced the glories of heaven. Back on earth, a passing minister felt led to stop and pray for the accident victim even though he was told Piper was dead. Miraculously, Piper came back to life, and the pleasure of heaven was replaced by a long and painful recovery. With a personal update from Don on the impact the book

has had on him, his family, and the millions who have heard his story, even those who have read the original book will want to be part of the continuing story of 90 Minutes in Heaven with this new edition. Also includes a note from the publisher, stories from readers, favorite Scriptures and quotations on heaven from Don Piper, and a photo insert.

proof of heaven by dr eben alexander: Near-Death Experiences, The Rest of the Story P.M.H. Atwater, 2009-01-09 Real-life stories of out-of-body experiences, encountering a special light, greeters from the afterlife, life reviews, tunnels, and 360-degree vision--are all part of this intriguing look at near-death experiences (NDEs) by one of the world's noted authorities, P.M.H. Atwater. Atwater shares her amazing findings, based on her sessions with more than 4,000 adults and children and over 40 years of research; a breathtaking culmination to a successful and controversial career. Atwater examines every aspect of the near-death phenomenon: from first-hand accounts of survivors experiencing flash forwards, waking up in morgues, and developing psychic abilities, to stunning cases of groups experiencing NDEs together. Atwater offers statistics from her findings to show the distinctive common patterns that people experience, as well as the common aftereffects and how it changed their lives. She also explores the physiological and spiritual changes that result from near-death experiences and looks at the connections between the NDE experience and what is often called "enlightenment. Near Death Experiences not only provides a glimpse of what lies beyond the veil of our temporal existence, but points to what--or who--we really are and what we are meant to be.

proof of heaven by dr eben alexander: *A Manual for Developing Humans* P. M. H. Atwater, 2017-03-20 A Manual for Developing Humans is the third book P.M.H. Atwater was told to write during her third near-death experience. Based entirely on threes, there are no chapters . . . only the development of conscious, subconscious, and superconscious aspects to each topic--every topic--for the Manual contains the basics on every level of life--from how to use your mind, develop and use intuition, understand color, sex, relationships, children, how to take out-of-body trips, interact with spirit beings, meditate, bend time, and rethink money. Aliveness jumps from every page--of soil, rocks, mountains, vegetation, the air we breathe, our planet, our solar system, our universe--even electricity and energy itself, along with The Void (the ultimate cradle of creation). Each of six main parts are separated by thought-form drawings. What she learned from 80 years of living and challenging every aspect of living is interwoven into what The Voice Like None Other showed her how to do. A Manual for Developing Humans is filled with surprises.

Proof Of Heaven By Dr Eben Alexander Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Proof Of Heaven By Dr Eben Alexander free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Proof Of Heaven By Dr Eben Alexander free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Proof Of Heaven By Dr Eben Alexander free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Proof Of Heaven By Dr Eben Alexander. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Proof Of Heaven By Dr Eben Alexander any PDF files. With these platforms, the world of PDF downloads is just a click away.
