

Rockefellers Jewish

rockefellers jewish: Beyond Charity Eric John Abrahamson, 2013-01-15

rockefellers jewish: "Our Crowd" Stephen Birmingham, 2015-12-01 The #1 New York Times bestseller that traces the rise of the Guggenheims, the Goldmans, and other families from immigrant poverty to social prominence. They immigrated to America from Germany in the nineteenth century with names like Loeb, Sachs, Seligman, Lehman, Guggenheim, and Goldman. From tenements on the Lower East Side to Park Avenue mansions, this handful of Jewish families turned small businesses into imposing enterprises and amassed spectacular fortunes. But despite possessing breathtaking wealth that rivaled the Astors and Rockefellers, they were barred by the gentile establishment from the lofty realm of "the 400," a register of New York's most elite, because of their religion and humble backgrounds. In response, they created their own elite "100," a privileged society as opulent and exclusive as the one that had refused them entry. "Our Crowd" is the fascinating story of this rarefied society. Based on letters, documents, diary entries, and intimate personal remembrances of family lore by members of these most illustrious clans, it is an engrossing portrait of upper-class Jewish life over two centuries; a riveting story of the bankers, brokers, financiers, philanthropists, and business tycoons who started with nothing and turned their family names into American institutions.

rockefellers jewish: Memoirs David Rockefeller, 2011-04-27 Born into one of the wealthiest families in America—he was the youngest son of Standard Oil scion John D. Rockefeller, Jr., and the celebrated patron of modern art Abby Aldrich Rockefeller—David Rockefeller has carried his birthright into a distinguished life of his own. His dealings with world leaders from Zhou Enlai and Mikhail Gorbachev to Anwar Sadat and Ariel Sharon, his service to every American president since Eisenhower, his remarkable world travels and personal dedication to his home city of New York—here, the first time a Rockefeller has told his own story, is an account of a truly rich life.

rockefellers jewish: The Last Kings of Shanghai Jonathan Kaufman, 2021-06-01 In vivid detail... examines the little-known history of two extraordinary dynasties.--The Boston Globe Not just a brilliant, well-researched, and highly readable book about China's past, it also reveals the contingencies and ironic twists of fate in China's modern history.--LA Review of Books An epic, multigenerational story of two rival dynasties who flourished in Shanghai and Hong Kong as twentieth-century China surged into the modern era, from the Pulitzer Prize-winning journalist The Sassoons and the Kadoories stood astride Chinese business and politics for more than one hundred seventy-five years, profiting from the Opium Wars; surviving Japanese occupation; courting Chiang Kai-shek; and nearly losing everything as the Communists swept into power. Jonathan Kaufman tells the remarkable history of how these families ignited an economic boom and opened China to the world, but remained blind to the country's deep inequality and to the political turmoil on their doorsteps. In a story stretching from Baghdad to Hong Kong to Shanghai to London, Kaufman enters the lives and minds of these ambitious men and women to forge a tale of opium smuggling, family rivalry, political intrigue, and survival.

rockefellers jewish: Great Fortune Daniel Okrent, 2004-11-30 In this hugely appealing book, a finalist for the Pulitzer Prize, acclaimed author and journalist Daniel Okrent weaves together themes of money, politics, art, architecture, business, and society to tell the story of the majestic suite of buildings that came to dominate the heart of midtown Manhattan and with it, for a time, the heart of the world. At the center of Okrent's riveting story are four remarkable individuals: tycoon John D. Rockefeller, his ambitious son Nelson Rockefeller, real estate genius John R. Todd, and visionary skyscraper architect Raymond Hood. In the tradition of David McCullough's *The Great Bridge*, Ron Chernow's *Titan*, and Robert Caro's *The Power Broker*, *Great Fortune* is a stunning tribute to an American landmark that captures the heart and spirit of New York at its apotheosis.

rockefellers jewish: *The Influence of the Carnegie, Ford, and Rockefeller Foundations on American Foreign Policy* Edward H. Berman, 1984-06-30 This book examines the generally unrecognized role played by the Carnegie, Ford, and Rockefeller foundations in support of United States foreign policy, particularly since 1945. The foundations' efforts on behalf of American interests abroad have focused primarily on their support for a number of institutions of higher education in strategically located Third World nations. These institutions, modeled after foundation-supported American universities, were designed to train Third World leaders in norms that would encourage them—minimally—to assume a posture of neutrality toward American economic and political penetration of their societies. Dr. Berman's study challenges the oft-asserted, but undocumented, thesis of the American political right that these liberal foundations historically have pursued policies detrimental to United States interests. The evidence indicates how foundation policies and programs were formulated after close consultation with leaders of the American corporate sector and government officials, and how their activities were designed to further the objectives determined by those who influence the direction of United States foreign policy.

rockefellers jewish: A History of the University of Chicago, Founded by John D. Rockefeller; the First Quarter-century Thomas Wakefield Goodspeed, 2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

rockefellers jewish: *Democracy and Philanthropy* Eric John Abrahamson, 2013-10

rockefellers jewish: *The Rockefellers: An American Dynasty* Peter Collier, David Horowitz, 2022-02-18 This is the story of an American dynasty: the father, who built the fortune, the son who cleansed the name, the brothers who manipulated both the name and the fortune to their own ends, and the cousins who often wish they had inherited neither. Cast against the backdrop of America's history is a spectacular array of characters: a bigamist, a robber baron, a philanthropist, a world-weary cynic, a drifting divorcee, polluters, environmentalists, art lovers and money manipulators. "[An] absorbing history of the Rockefeller family... a swiftly paced, extensively researched work of social history, a tale of family tensions and neuroses, of successes and failures in private and in public, all of it unfolding against a backdrop of money, influence and power." — Steven R. Weisman, *The New York Times* "[A]n exceptionally good book" — John Kenneth Galbraith, *The New York Review of Books* "[Collier and Horowitz] present a sensitive family biography, more wistful than angry, more concerned with the impact of immense wealth on individual personality than on society. The authors received special access to the Rockefeller family archives." — Gaddis Smith, *Foreign Affairs* "A startling tale emerges, shattering all we know and believe about the Rockefellers, destroying the legend brutally with significant revelations and — yet — winning a depth of sympathy for Rockefellers which three generations of PR men have not been able to manufacture." — William Greider, *Washington Post Book World* "A skillful portrait of great wealth... A vast sweep of world-shaping episodes, dates and names." — *The Houston Chronicle* "Impressive and intelligent... skillfully organized and presented so that it matters — not only to those curious about Rockefellers but to anyone curious about money and power in our society." — *Newsweek*

rockefellers jewish: *The Man in the Rockefeller Suit* Mark Seal, 2011-06-02 A real-life Talented Mr. Ripley, the unbelievable thirty-year run of a shape-shifting con man. The story of Clark Rockefeller is a stranger-than-fiction twist on the classic American success story of the self-made man—because Clark Rockefeller was totally made up. The career con man who convincingly passed himself off as Rockefeller was born in a small village in Germany. At seventeen, obsessed with getting to America, he flew into the country on dubious student visa documents and his journey of deception began. Over the next thirty years, boldly assuming a series of false identities, he moved up

the social ladder through exclusive enclaves on both coasts-culminating in a stunning twelve-year marriage to a rising star businesswoman with a Harvard MBA who believed she'd wed a Rockefeller. The imposter charmed his way into exclusive clubs and financial institutions-working on Wall Street, showing off an extraordinary art collection-until his marriage ended and he was arrested for kidnapping his daughter, which exposed his past of astounding deceptions as well as a connection to the bizarre disappearance of a California couple in the mid-1980s. The story of *The Man in the Rockefeller Suit* is a probing and cinematic exploration of an audacious imposter-and a man determined to live the American dream by any means necessary.

rockefellers jewish: *The Grandees* Stephen Birmingham, 2015-12-01 The New World's earliest Jewish immigrants and their unique, little-known history: A New York Times bestseller from the author of *Life at the Dakota*. In 1654, twenty-three Jewish families arrived in New Amsterdam (now New York) aboard a French privateer. They were the Sephardim, members of a proud orthodox sect that had served as royal advisors and honored professionals under Moorish rule in Spain and Portugal but were then exiled from their homeland by intolerant monarchs. A small, closed, and intensely private community, the Sephardim soon established themselves as businessmen and financiers, earning great wealth. They became powerful forces in society, with some, like banker Haym Salomon, even providing financial support to George Washington's army during the American Revolution. Yet despite its major role in the birth and growth of America, this extraordinary group has remained virtually impenetrable and unknowable to outsiders. From author of "Our Crowd" Stephen Birmingham, *The Grandees* delves into the lives of the Sephardim and their historic accomplishments, illuminating the insulated world of these early Americans. Birmingham reveals how these families, with descendants including poet Emma Lazarus, Barnard College founder Annie Nathan Meyer, and Supreme Court Justice Benjamin N. Cardozo, influenced—and continue to influence—American society.

rockefellers jewish: *The History of the Standard Oil Company* Ida Minerva Tarbell, 1904

rockefellers jewish: *The Witness Tree* Brendan Howley, John J. Loftus, 2011-04-20 A political epic based on the early life of Eleanor Dulles—sister of John Foster Dulles, Secretary of State, and Allen Dulles, the first head of the CIA—and the secret beginnings of modern Israel. *The Witness Tree* interweaves years of classified research by co-author and Nazi war crimes investigator John Loftus with a perilous love story—the result is a sweeping novel of a diplomatic dynasty, born in the hope and treachery that defined the twentieth century. Eleanor Dulles comes from one of the most respected families in America. An economist and a socialist, she is the family rebel—and its last hope for salvation. Her affair with a mysterious younger man leads them into fateful brushes with the Zionist underground and the Soviet Comintern. Eleanor comes to understand her family's connections to the treasonous Second World War oil business, and the unlikely lovers are led separately from war-torn Europe toward the doorstep of Nelson Rockefeller himself, with profound implications for the future of the Middle East. Part family saga, part political thriller, *The Witness Tree* imagines the little-known life of a woman who became the conscience of her family with a single, desperate act to redeem the soul of a nation betrayed.

rockefellers jewish: *America's Medicis* Suzanne Loeb, 2010-11-16 From literary polymath Suzanne Loeb (the author of ten books, most recently the acclaimed *America's Art Museums*) comes the captivating, first-of-its kind exploration into the philanthropic and cultural legacy of one of America's wealthiest and most influential families: The Rockefellers. Fueled by John D. Rockefeller's vast petroleum fortune, the entire family's terrific passion for the arts transformed the artistic infrastructure of twentieth century America. Funding museums like the MoMA, the Cloisters, the Metropolitan Museum of Art, the Museum of the Oriental Art at the University of Chicago, and commissioning major architectural projects like Rockefeller Center, Riverside Church, and Lincoln Center, the Rockefellers' achievements forever changed the cultural landscape of the Western world. Loeb's penetrating biography is the first book to deeply explore the family's critical role as collectors and patrons of the arts.

rockefellers jewish: *Breaking Rockefeller* Peter B. Doran, 2016 Marcus Samuel Jr. is an

unorthodox Jewish merchant trader. Henri Deterding is a take-no-prisoners oilman. In 1889, John D. Rockefeller is at the peak of his power. Having annihilated all competition and dominating the oil market, even the US government is wary of challenging Standard Oil. The Standard never loses - that is until Samuel and Deterding team up to form Royal Dutch Shell. A riveting account of ambition, oil and greed, *Breaking Rockefeller* traces Samuel and Deterding's rise to the top of the oil industry, and the collapse of Rockefeller's monopoly.

rockefellers jewish: The Vanishing American Jew Alan M. Dershowitz, 1998-09-08 Explores the meaning of Jewishness in light of the increasing assimilation of America's Jews and suggests ways to preserve Jewish identity.

rockefellers jewish: Empire of Pain Patrick Radden Keefe, 2021-04-13 NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • A grand, devastating portrait of three generations of the Sackler family, famed for their philanthropy, whose fortune was built by Valium and whose reputation was destroyed by OxyContin. From the prize-winning and bestselling author of *Say Nothing*. A real-life version of the HBO series *Succession* with a lethal sting in its tail...a masterful work of narrative reportage." - Laura Miller, *Slate* The history of the Sackler dynasty is rife with drama—baroque personal lives; bitter disputes over estates; fistfights in boardrooms; glittering art collections; Machiavellian courtroom maneuvers; and the calculated use of money to burnish reputations and crush the less powerful. The Sackler name has adorned the walls of many storied institutions—Harvard, the Metropolitan Museum of Art, Oxford, the Louvre. They are one of the richest families in the world, but the source of the family fortune was vague—until it emerged that the Sacklers were responsible for making and marketing a blockbuster painkiller that was the catalyst for the opioid crisis. *Empire of Pain* is the saga of three generations of a single family and the mark they would leave on the world, a tale that moves from the bustling streets of early twentieth-century Brooklyn to the seaside palaces of Greenwich, Connecticut, and Cap d'Antibes to the corridors of power in Washington, D.C. It follows the family's early success with Valium to the much more potent OxyContin, marketed with a ruthless technique of co-opting doctors, influencing the FDA, downplaying the drug's addictiveness. *Empire of Pain* chronicles the multiple investigations of the Sacklers and their company, and the scorched-earth legal tactics that the family has used to evade accountability. A masterpiece of narrative reporting, *Empire of Pain* is a ferociously compelling portrait of America's second Gilded Age, a study of impunity among the super-elite and a relentless investigation of the naked greed that built one of the world's great fortunes.

rockefellers jewish: The Federal Reserve Conspiracy & Rockefellers Emanuel Mann Josephson, 1968

rockefellers jewish: Titan Ron Chernow, 1998 There are worse men than John D Rockefeller,' *Arena* magazine observed at the turn of the century. 'There is probably not one, however, who in the public mind so typifies the grave and startling menace to social order.' The son of a flamboyant bigamist and pedlar of patent medicine, Rockefeller was by then America's richest man, the mastermind and creator of the country's first and most powerful monopoly: the Standard Oil Company. Reaching into every household across America, Standard Oil controlled 90% of all oil refined in the US, as well as its production, transportation, marketing and distribution. The story of Rockefeller is the story of a pivotal moment in modern history: the shift, after the American Civil War, from small-scale business to economy of scale, and the development of the first modern corporation. In Ron Chernow's magisterial work we see this transition in all of its nuances - accompanied by the rise in labour militancy, the tabloid press and large-scale philanthropy. *TITAN* is a business epic that, by illuminating the past, teaches us much about where we are today.

rockefellers jewish: Them Jon Ronson, 2011-06-28 A wide variety of extremist groups -- Islamic fundamentalists, neo-Nazis -- share the oddly similar belief that a tiny shadowy elite rule the world from a secret room. In *Them*, journalist Jon Ronson has joined the extremists to track down the fabled secret room. As a journalist and a Jew, Ronson was often considered one of *Them* but he had no idea if their meetings actually took place. Was he just not invited? *Them* takes us across

three continents and into the secret room. Along the way he meets Omar Bakri Mohammed, considered one of the most dangerous men in Great Britain, PR-savvy Ku Klux Klan Grand Wizard Thom Robb, and the survivors of Ruby Ridge. He is chased by men in dark glasses and unmasked as a Jew in the middle of a Jihad training camp. In the forests of northern California he even witnesses CEOs and leading politicians -- like Dick Cheney and George Bush -- undertake a bizarre owl ritual. Ronson's investigations, by turns creepy and comical, reveal some alarming things about the looking-glass world of us and them. There is a deep and fascinating look at the lives and minds of extremists. Are the extremists onto something? Or is Jon Ronson becoming one of them?

rockefellers jewish: Nazi Nexus Edwin Black, 2009-03-01 *Nazi Nexus* is the long-awaited wrap-up in a single explosive volume that details the pivotal corporate American connection to the Holocaust. The biggest names and crimes are all there. IBM and its facilitation of the identification and accelerated destruction of the Jews; General Motors and its rapid motorization of the German military enabling the conquest of Europe and the capture of Jews everywhere; Ford Motor Company for its political inspiration; the Rockefeller Foundation for its financing of deadly eugenic science and the program that sent Mengele into Auschwitz; the Carnegie Institution for its proliferation of the concept of race science, racial laws, and the very mathematical formula used to brand the Jews for systematic destruction; and others.

rockefellers jewish: *The House the Rockefellers Built* Robert F. Dalzell, Lee Baldwin Dalzell, 2008-08-05 *Journeys behind the doors of Kykuit*, the home to three generations of the Rockefeller family, examining the architecture, furnishings, art, and gardens of the country estate and profiling the members of the Rockefeller clan who lived there.

rockefellers jewish: *Conspiracies of Conspiracies* Thomas Milan Konda, 2019-03-15 It's tempting to think that we live in an unprecedentedly fertile age for conspiracy theories, with seemingly each churn of the news cycle bringing fresh manifestations of large-scale paranoia. But the sad fact is that these narratives of suspicion—and the delusional psychologies that fuel them—have been a constant presence in American life for nearly as long as there's been an America. In this sweeping book, Thomas Milan Konda traces the country's obsession with conspiratorial thought from the early days of the republic to our own anxious moment. *Conspiracies of Conspiracies* details centuries of sinister speculations—from antisemitism and anti-Catholicism to UFOs and reptilian humanoids—and their often incendiary outcomes. Rather than simply rehashing the surface eccentricities of such theories, Konda draws from his unprecedented assemblage of conspiratorial writing to crack open the mindsets that lead people toward these self-sealing worlds of denial. What is distinctively American about these theories, he argues, is not simply our country's homegrown obsession with them but their ongoing prevalence and virulence. Konda proves that conspiracy theories are no harmless sideshow. They are instead the dark and secret heart of American political history—one that is poisoning the bloodstream of an increasingly sick body politic.

rockefellers jewish: *The Secret War Against the Jews* John Loftus, Mark Aarons, 2017-05-16 *Unearthing the Subverted Truth: Espionage, Global Power Play and the Hidden War Against the Jews* A hugely controversial work that exposes a series of scandals from Oliver North to the British royal family, *The Secret War Against the Jews* reveals as much about political corruption inside Western intelligence as it does about Israel. Using thousands of formerly top-secret documents and numerous insider accounts, Loftus and Aarons expose the clandestine operations of Western countries such as the United States and Great Britain. Professed allies of Israel on the world stage, these countries are revealed to have repeatedly spied on Palestine and Israel for oil, multinational profits and geopolitical gains. The startling duplicity reaches as deep as the Orwellian manipulation of international covert policies and national security agendas. This book transcends the realm of mere history, raising grave allegations that will be the subject of debate for years to come.

rockefellers jewish: *Rules for Radicals* Saul Alinsky, 2010-06-30 "This country's leading hell-raiser (The Nation) shares his impassioned counsel to young radicals on how to effect constructive social change and know "the difference between being a realistic radical and being a rhetorical one." First published in 1971 and written in the midst of radical political developments

whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.

rockefellers jewish: *Rockefeller Medicine Men* E. Richard Brown, 1979

rockefellers jewish: *The Origin of Satan* Elaine Pagels, 1996-04-30 From the National Book Award-winning and National Book Critics Circle Award-winning author of *The Gnostic Gospels* comes a dramatic interpretation of Satan and his role on the Christian tradition.

Arresting...brilliant...this book illuminates the angels with which we must wrestle to come to the truth of our bedeviling spiritual problems. —The Boston Globe With magisterial learning and the élan of a born storyteller, Pagels turns Satan's story into an audacious exploration of Christianity's shadow side, in which the gospel of love gives way to irrational hatreds that continue to haunt Christians and non-Christians alike.

rockefellers jewish: *What Would the Rockefellers Do?* Garrett Gunderson, 2018-04-03

Would you rather earn interest than pay it, and eliminate the necessity of paying fees to banks and jumping through hoops to get loans? Are you frustrated with being over-taxed and/or being dependent on a volatile stock market? Do you suspect that the ultra-wealthy play by a different set of rules than you do, and that their secrets have been kept just out of your reach? What would it mean to you and your family if you knew these rules to play by them too?

rockefellers jewish: *Behold a Pale Horse* William Cooper, 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to talk due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been talking, he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Bill Cooper is the world's leading expert on UFOs. -- Billy Goodman, KVEG, Las Vegas. The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long. -- Anthony Hilder, Radio Free America William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world. -- Mills Crenshaw, KTALK, Salt Lake City. Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands. -- William Cooper, October 24, 1989.

rockefellers jewish: *The World* Simon Sebag Montefiore, 2023-05-16 NEW YORK TIMES BESTSELLER • A magisterial world history unlike any other that tells the story of humanity through the one thing we all have in common: families • From the author of *The Romanovs* “Succession meets Game of Thrones.” —The Spectator • “The author brings his cast of dynastic titans, rogues and psychopaths to life...An epic that both entertains and informs.” —The Economist, Best Books of the Year Around 950,000 years ago, a family of five walked along the beach and left behind the oldest family footprints ever discovered. For award-winning historian Simon Sebag Montefiore, these poignant, familiar fossils serve as an inspiration for a new kind of world history, one that is genuinely global, spans all eras and all continents, and focuses on the family ties that connect every one of us. In this epic, ever-surprising book, Montefiore chronicles the world's great dynasties across human history through palace intrigues, love affairs, and family lives, linking grand themes of

war, migration, plague, religion, and technology to the people at the heart of the human drama. It features a cast of extraordinary diversity: in addition to rulers and conquerors, there are priests, charlatans, artists, scientists, tycoons, gangsters, lovers, husbands, wives, and children. There is Hongwu, the beggar who founded the Ming dynasty; Ewuare, the Leopard-King of Benin; Henry Christophe, King of Haiti; Kamehameha, the conqueror of Hawaii; Zenobia, the Arab empress who defied Rome; Lady Murasaki, the first female novelist; Sayyida al-Hurra, the Moroccan pirate-queen. Here too are moderns such as Indira Gandhi, Margaret Thatcher, Barack Obama, Vladimir Putin, and Volodymyr Zelensky. Here are the Caesars, Medicis and Incas, Ottomans and Mughals, Bonapartes, Habsburgs and Zulus, Rothschilds, Rockefellers and Krupps, Churchills, Kennedys, Castros, Nehrus, Pahlavis and Kenyattas, Saudis, Kims and Assads. These powerful families represent the breadth of human endeavor, with bloody succession battles, treacherous conspiracies, and shocking megalomania alongside flourishing culture, moving romances, and enlightened benevolence. A dazzling achievement as spellbinding as fiction, *The World* captures the whole human story in a single, masterful narrative.

rockefellers jewish: John D. Rockefeller Grace Goulder Izant, 1972 For more than sixty years, Rockefeller called Cleveland home: it was where he married and raised his children, where he launched his business career, where he kept a secluded retreat, and where he was buried.

rockefellers jewish: The Rockefeller Century John Ensor Harr, Peter J. Johnson, 1988 Three generations of America's greatest family. John D. Rockefeller, John D. Rockefeller, Jr. and John D. Rockefeller 3rd.

rockefellers jewish: On His Own Terms Richard Norton Smith, 2014-10-21 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE BOSTON GLOBE, BOOKLIST, AND KIRKUS REVIEWS • From acclaimed historian Richard Norton Smith comes the definitive life of an American icon: Nelson Rockefeller—one of the most complex and compelling figures of the twentieth century. Fourteen years in the making, this magisterial biography of the original Rockefeller Republican draws on thousands of newly available documents and over two hundred interviews, including Rockefeller's own unpublished reminiscences. Grandson of oil magnate John D. Rockefeller, Nelson coveted the White House from childhood. "When you think of what I had," he once remarked, "what else was there to aspire to?" Before he was thirty he had helped his father develop Rockefeller Center and his mother establish the Museum of Modern Art. At thirty-two he was Franklin Roosevelt's wartime coordinator for Latin America. As New York's four-term governor he set national standards in education, the environment, and urban policy. The charismatic face of liberal Republicanism, Rockefeller championed civil rights and health insurance for all. Three times he sought the presidency—arguably in the wrong party. At the Republican National Convention in San Francisco in 1964, locked in an epic battle with Barry Goldwater, Rockefeller denounced extremist elements in the GOP, a moment that changed the party forever. But he could not wrest the nomination from the Arizona conservative, or from Richard Nixon four years later. In the end, he had to settle for two dispiriting years as vice president under Gerald Ford. In *On His Own Terms*, Richard Norton Smith re-creates Rockefeller's improbable rise to the governor's mansion, his politically disastrous divorce and remarriage, and his often surprising relationships with presidents and political leaders from FDR to Henry Kissinger. A frustrated architect turned master builder, an avid collector of art and an unabashed ladies' man, "Rocky" promoted fallout shelters and affordable housing with equal enthusiasm. From the deadly 1971 prison uprising at Attica and unceasing battles with New York City mayor John Lindsay to his son's unsolved disappearance (and the grisly theories it spawned), the punitive drug laws that bear his name, and the much-gossiped-about circumstances of his death, Nelson Rockefeller's was a life of astonishing color, range, and relevance. *On His Own Terms*, a masterpiece of the biographer's art, vividly captures the soaring optimism, polarizing politics, and inner turmoil of this American Original. Praise for *On His Own Terms* "[An] enthralling biography . . . Richard Norton Smith has written what will probably stand as a definitive Life. . . . *On His Own Terms* succeeds as an absorbing, deeply informative portrait of an important, complicated, semi-heroic figure who, in his approach to the limits of government and to

government's relation to the governed, belonged in every sense to another century."—The New Yorker "[A] splendid biography . . . a clear-eyed, exhaustively researched account of a significant and fascinating American life."—The Wall Street Journal "A compelling read . . . What makes the book fascinating for a contemporary professional is not so much any one thing that Rockefeller achieved, but the portrait of the world he inhabited not so very long ago."—The New York Times "[On His Own Terms] has perception and scholarly authority and is immensely readable."—The Economist

rockefellers jewish: Dark Money Jane Mayer, 2017-01-24 NATIONAL BESTSELLER ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR Who are the immensely wealthy right-wing ideologues shaping the fate of America today? From the bestselling author of *The Dark Side*, an electrifying work of investigative journalism that uncovers the agenda of this powerful group. In her new preface, Jane Mayer discusses the results of the most recent election and Donald Trump's victory, and how, despite much discussion to the contrary, this was a huge victory for the billionaires who have been pouring money in the American political system. Why is America living in an age of profound and widening economic inequality? Why have even modest attempts to address climate change been defeated again and again? Why do hedge-fund billionaires pay a far lower tax rate than middle-class workers? In a riveting and indelible feat of reporting, Jane Mayer illuminates the history of an elite cadre of plutocrats—headed by the Kochs, the Scaifes, the Olins, and the Bradleys—who have bankrolled a systematic plan to fundamentally alter the American political system. Mayer traces a byzantine trail of billions of dollars spent by the network, revealing a staggering conglomeration of think tanks, academic institutions, media groups, courthouses, and government allies that have fallen under their sphere of influence. Drawing from hundreds of exclusive interviews, as well as extensive scrutiny of public records, private papers, and court proceedings, Mayer provides vivid portraits of the secretive figures behind the new American oligarchy and a searing look at the carefully concealed agendas steering the nation. *Dark Money* is an essential book for anyone who cares about the future of American democracy. National Book Critics Circle Award Finalist LA Times Book Prize Finalist PEN/Jean Stein Book Award Finalist Shortlisted for the Lukas Prize

rockefellers jewish: An Empire of Their Own Neal Gabler, 2010-11-17 A provocative, original, and richly entertaining group biography of the Jewish immigrants who were the moving forces behind the creation of America's motion picture industry. The names Harry Cohn, William Fox, Carl Laemmle, Louis B. Mayer, Jack and Harry Warner, and Adolph Zucker are giants in the history of contemporary Hollywood, outsiders who dared to invent their own vision of the American Dream. Even to this day, the American values defined largely by the movies of these émigrés endure in American cinema and culture. Who these men were, how they came to dominate Hollywood, and what they gained and lost in the process is the exhilarating story of *An Empire of Their Own*.

rockefellers jewish: Joseph P. Kennedy Presents Cari Beauchamp, 2009-02-03 Joseph P. Kennedy's reputation as a savvy businessman, diplomat, and sly political patriarch is well-documented. But his years as a Hollywood mogul have never been fully explored until now. In *Joseph P. Kennedy Presents*, Cari Beauchamp brilliantly explores this unknown chapter in Kennedy's biography. Between 1926 and 1930, Kennedy positioned himself as a major Hollywood player. In two short years, he was running three studios simultaneously and then, in a bold move, he merged his studios with David Sarnoff to form the legendary RKO Studio. Beauchamp also tells the story of Kennedy's affair with Gloria Swanson; how he masterminded the mergers that created the blueprint for contemporary Hollywood; and made the fortune that became the foundation of his empire.

rockefellers jewish: The Gilded Age Mark Twain, Charles Dudley Warner, 1904

rockefellers jewish: The Warburgs Ron Chernow, 2012-01-18 From the Pulitzer Prize-winning bestselling author of *Alexander Hamilton*, the inspiration for the hit Broadway musical, comes this definitive biography of the Warburgs, one of the great German-Jewish banking families of the twentieth century. Bankers, philanthropists, scholars, socialites, artists, and politicians, the Warburgs stood at the pinnacle of German (and, later, of German-American) Jewry. They forged economic dynasties, built mansions and estates, assembled libraries, endowed charities, and advised

a German kaiser and two American presidents. But their very success made the Warburgs lightning rods for anti-Semitism, and their sense of patriotism became increasingly dangerous in a Germany that had declared Jews the enemy. Ron Chernow's hugely fascinating history is a group portrait of a clan whose members were renowned for their brilliance, culture, and personal energy yet tragically vulnerable to the dark and irrational currents of the twentieth century.

rockefellers jewish: Wall Street and the Rise of Hitler Antony Cyril Sutton, 2012-12-17 'The contribution made by American capitalism to German war preparations can only be described as phenomenal. It was certainly crucial to German military capabilities... Not only was an influential sector of American business aware of the nature of Naziism, but for its own purposes aided Naziism wherever possible (and profitable) - with full knowledge that the probable outcome would be war involving Europe and the United States.' Penetrating a cloak of falsehood, deception and duplicity, Professor Antony C. Sutton reveals one of the most remarkable but unreported facts of the Second World War: that key Wall Street banks and American businesses supported Hitler's rise to power by financing and trading with Nazi Germany. Carefully tracing this closely guarded secret through original documents and eyewitness accounts, Sutton comes to the unsavoury conclusion that the catastrophic Second World War was extremely profitable for a select group of financial insiders. He presents a thoroughly documented account of the role played by J.P. Morgan, T.W. Lamont, the Rockefeller interests, General Electric Company, Standard Oil, National City Bank, Chase and Manhattan banks, Kuhn, Loeb and Company, General Motors, the Ford Motor Company, and scores of others in helping to prepare the bloodiest, most destructive war in history. This classic study, first published in 1976 - the third volume of a trilogy - is reproduced here in its original form. (The other volumes in the series study the 1917 Lenin-Trotsky Revolution in Russia and the 1933 election of Franklin D. Roosevelt in the United States.)

rockefellers jewish: Concerning the Jews (Annotated) Mark Twain, 2016-01-18 Some months ago I published a magazine article descriptive of a remarkable scene in the Imperial Parliament in Vienna. Since then I have received from Jews in America several letters of inquiry. They were difficult letters to answer, for they were not very definite. But at last I have received a definite one. It is from a lawyer, and he really asks the questions which the other writers probably believed they were asking.

Rockefellers Jewish Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rockefellers Jewish has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rockefellers Jewish has opened up a world of possibilities. Downloading Rockefellers Jewish provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rockefellers Jewish has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rockefellers Jewish. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rockefellers Jewish. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rockefellers Jewish, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rockefellers Jewish has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rockefellers Jewish Books

What is a Rockefellers Jewish PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rockefellers Jewish PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rockefellers Jewish PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rockefellers Jewish PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rockefellers Jewish PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat

to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
