**the treason of the senate:** *The Treason of the Senate. [With Illustrations.].* David Graham Phillips, 1955

**the treason of the senate: United States Code** United States, 2013 The United States Code is the official codification of the general and permanent laws of the United States of America. The Code was first published in 1926, and a new edition of the code has been published every six years since 1934. The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress, Second Session, the last of which was signed by the President on January 15, 2013. It does not include laws of the One Hundred Thirteenth Congress, First Session, enacted between January 2, 2013, the date it convened, and January 15, 2013. By statutory authority this edition may be cited U.S.C. 2012 ed. As adopted in 1926, the Code established prima facie the general and permanent laws of the United States. The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. These are identified in the table of titles near the beginning of each volume. The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U.S.C. 285b to enact the remainder of the Code, on a title-by-title basis, into positive law. The 2012 edition of the Code was prepared and published under the supervision of Ralph V. Seep, Law Revision Counsel. Grateful acknowledgment is made of the contributions by all who helped in this work, particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office--Preface.

**the treason of the senate: The Impeachers** Brenda Wineapple, 2019-05-21 ONE OF THE BEST BOOKS OF THE YEAR: Jennifer Szalai, The New York Times; The New York Times Book Review; NPR; Publishers Weekly "This absorbing and important book recounts the titanic struggle over the implications of the Civil War amid the impeachment of a defiant and temperamentally erratic American president."—Jon Meacham, Pulitzer Prize-winning author of *The Soul of America* When Abraham Lincoln was assassinated and Vice-President Andrew Johnson became "the Accidental President," it was a dangerous time in America. Congress was divided over how the Union should be reunited: when and how the secessionist South should regain full status, whether former Confederates should be punished, and when and whether black men should be given the vote. Devastated by war and resorting to violence, many white Southerners hoped to restore a pre-Civil War society, if without slavery, and the pugnacious Andrew Johnson seemed to share their goals. With the unchecked power of executive orders, Johnson ignored Congress, pardoned rebel leaders, promoted white supremacy, opposed civil rights, and called Reconstruction unnecessary. It fell to Congress to stop the American president who acted like a king. With profound insights and making use of extensive research, Brenda Wineapple dramatically evokes this pivotal period in American history, when the country was rocked by the first-ever impeachment of a sitting American president. And she brings to vivid life the extraordinary characters who brought that impeachment forward: the willful Johnson and his retinue of advocates—including complicated men like Secretary of State William Seward—as well as the equally complicated visionaries committed to justice and equality for all, like Thaddeus Stevens, Charles Sumner, Frederick Douglass, and Ulysses S. Grant. Theirs was a last-ditch, patriotic, and Constitutional effort to render the goals of the Civil War into reality and to make the Union free, fair, and whole. Praise for *The Impeachers* "In this superbly lyrical work, Brenda Wineapple has plugged a glaring hole in our historical memory through her vivid and sweeping portrayal of President Andrew Johnson's 1868 impeachment. She serves up not

simply food for thought but a veritable feast of observations on that most trying decision for a democracy: whether to oust a sitting president. Teeming with fiery passions and unforgettable characters, *The Impeachers* will be devoured by contemporary readers seeking enlightenment on this issue. . . . A landmark study.”—Ron Chernow, Pulitzer Prize-winning author of *Grant*

**the treason of the senate: *The Cambridge Companion to the Age of Nero*** Shadi Bartsch, Kirk Freudenburg, Cedric Littlewood, 2017-11-09 A lively and accessible guide to the rich literary, philosophical and artistic achievements of the notorious age of Nero.

**the treason of the senate: *Secession on Trial*** Cynthia Nicoletti, 2017-10-19 This book explores the treason trial of President Jefferson Davis, where the question of secession's constitutionality was debated.

**the treason of the senate: *Treason*** Stuart Woods, 2020-01-07 Stone Barrington takes on a scheming rebel in this latest action-packed thriller from #1 New York Times-bestselling author Stuart Woods. Upon returning to New York City after a whirlwind British excursion, Stone Barrington is notified of a delicate situation within the country's administration. A close friend requires his expertise and subtlety to eradicate a destructive presence in a classified agency--only it soon becomes clear that this renegade was sent by a rival Stone has encountered before. From the City of Light to the rocky Maine coastline, Stone will need to summon all his wit and daring to halt the audacious plots threatening to reveal confidential intel, and catch the evasive traitor at last. This enemy may be equipped with unlimited resources and devious schemes, but if Stone remains vigilant, justice may finally prevail. . . .

**the treason of the senate: *Thirty Years of Treason*** United States. Congress. House. Committee on Un-American Activities, Eric Bentley, Frank Rich, 2002 The testimony that the author has gleaned for this book from the thirty-year record of the House Un-American Activities Committee focuses on HUAC's treatment of artists, intellectuals, and performers. This highly readable and absorbing collection of significant excerpts from the hearings shows with painful clarity how HUAC grew from a panel that investigated possible subversive activities in a dignified manner to a huge, unrelenting accusatory finger from which almost no one was safe. This book serves as a warning for the future and creates living history from the documentary record. The basic document with which all future studies of the [House Un-American Activities] Committee will have to begin. —Dalton Trumbo ...what he has done is give us HUAC as spectacle, and the perspective is shattering.—Victor Navasky, *The New York Times*

**the treason of the senate: *Impeachment*** Raoul Berger, 1974 The little understood yet great power of impeachment lodged in the Congress is dissected in this text through history by Raoul Berger, a leading scholar on the subject. He sheds new light on whether impeachment is limited to indictable crimes, on whether there is jurisdiction to impeach for misconduct outside office, and on whether impeachment must precede indictment. Berger also finds firm footing in contesting the views of one-time Judge Robert Bork and President Nixon's lawyer, James St Clair.

**the treason of the senate: *White Magic. A Novel*** David Graham Phillips, 2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**the treason of the senate: Impeachment** Cass R. Sunstein, 2017-10-30 Cass Sunstein considers actual and imaginable arguments for a president's removal, explaining why some cases are easy and others hard, why some arguments for impeachment are judicious and others not. In direct and approachable terms, he dispels the fog surrounding impeachment so that all Americans may use their ultimate civic authority wisely.

**the treason of the senate: The Treason Trial of Aaron Burr** R. Kent Newmyer, 2012-09-24 The Burr trial pitted Marshall, Jefferson and Burr in a dramatic three-way contest that left a permanent mark on the new nation.

**the treason of the senate: John Sherman's Recollections of Forty Years in the House, Senate and Cabinet** John Sherman, 1895

**the treason of the senate: Conscience of a Conservative** Jeff Flake, 2017-08-01 NEW YORK TIMES BESTSELLER • "A thoughtful defense of traditional conservatism and a thorough assault on the way Donald Trump is betraying it."—David Brooks, in his New York Times column In a bold act of conscience, Republican Senator Jeff Flake takes his party to task for embracing nationalism, populism, xenophobia, and the anomalous Trump presidency. The book is an urgent call for a return to bedrock conservative principle and a cry to once again put country before party. Dear Reader, I am a conservative. I believe that there are limits to what government can and should do, that there are some problems that government cannot solve, and that human initiative is best when left unfettered, free from government interference or coercion. I believe that these ideas, tested by time, offer the most freedom and best outcomes in the lives of the most people. But today, the American conservative movement has lost its way. Given the state of our politics, it is no exaggeration to say that this is an urgent matter. The Republican party used to play to a broader audience, one that demanded that we accomplish something. But in this era of dysfunction, our primary accomplishment has been constructing the argument that we're not to blame. We have decided that it is better to build and maintain a majority by using the levers of power rather than the art of persuasion and the battle of ideas. We've decided that putting party over country is okay. There are many on both sides of the aisle who think this a good model on which to build a political career—destroying, not building. And all the while, our country burns, our institutions are undermined, and our values are compromised. We have become so estranged from our principles that we no longer know what principle is. America is not just a collection of transactions. America is also a collection of ideas and values. And these are our values. These are our principles. They are not subject to change, owing to political fashion or cult of personality. I believe that we desperately need to get back to the rigorous, fact-based arguments that made us conservatives in the first place. We need to realize that the stakes are simply too high to remain silent and fall in line. That is why I have written this book and am taking this stand. —Jeff Flake

**the treason of the senate: Readers' Guide to Periodical Literature** Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1910

**the treason of the senate: *The Treason Trials of Aaron Burr*** Peter Charles Hoffer, 2008 Aaron Burr was an enigma even in his own day. Founding Father and vice president, he engaged in a duel with Alexander Hamilton, resulting in a murder indictment that effectively ended his legal career. And when he turned his attention to entrepreneurial activities on the frontier he was suspected of empire building - and worse. In the first book dedicated to this important case, Peter Charles Hoffer unveils a cast of characters ensnared by politics and law at the highest levels of government, including President Thomas Jefferson - one of Burr's bitterest enemies - and Chief Justice John Marshall, no fan of either Burr or Jefferson. Hoffer recounts how Jefferson's prosecutors argued that the mere act of discussing an overt Act of War - the constitution's definition of treason - was tantamount to committing the act. Marshall, however, ruled that without the overt act, no treasonable action had occurred and neither discussion nor conspiracy could be prosecuted. Subsequent attempts to convict Burr on violations of the Neutrality Act failed as well.--BOOK JACKET.

**the treason of the senate: The Cambridge Companion to the Roman Republic** Harriet I.

Flower, 2014-06-23 This second edition examines all aspects of Roman history, and contains a new introduction, three new chapters and updated bibliographies.

**the treason of the senate:** An Artist in Treason Andro Linklater, 2010-09-28 James Wilkinson was a consummate contradiction during the Revolutionary War era. In this modern biography of the greatest traitor--and one of the most colorful characters--in American history, Linklater examines the extraordinary double life of Wilkinson.

**the treason of the senate:** The World's Work Walter Hines Page, Arthur W. Page, 1906

**the treason of the senate: Our Unfinished March** Eric Holder, Sam Koppelman, 2023-06-06 A brutal, bloody, and at times hopeful history of the vote; a primer on the opponents fighting to take it away; and a playbook for how we can save our democracy before it's too late—from the former U.S. Attorney General on the front lines of this fight Voting is our most important right as Americans—“the right that protects all the others,” as Lyndon Johnson famously said when he signed the Voting Rights Act—but it’s also the one most violently contested throughout U.S. history. Since the gutting of the act in the landmark *Shelby County v. Holder* case in 2013, many states have passed laws restricting the vote. After the 2020 election, President Trump’s effort to overturn the vote has evolved into a slow-motion coup, with many Republicans launching an all-out assault on our democracy. The vote seems to be in unprecedented peril. But the peril is not at all unprecedented. America is a fragile democracy, Eric Holder argues, whose citizens have only had unfettered access to the ballot since the 1960s. He takes readers through three dramatic stories of how the vote was won: first by white men, through violence and insurrection; then by white women, through protests and mass imprisonments; and finally by African Americans, in the face of lynchings and terrorism. Next, he dives into how the vote has been stripped away since *Shelby*—a case in which Holder was one of the parties. He ends with visionary chapters on how we can reverse this tide of voter suppression and become a true democracy where every voice is heard and every vote is counted. Full of surprising history, intensive analysis, and actionable plans for the future, this is a powerful primer on our most urgent political struggle from one of the country's leading advocates.

**the treason of the senate:** *The Annual Literary Index* William Isaac Fletcher, Richard Rogers Bowker, 1907

**the treason of the senate:** Act of Treason Mark North, 2011-07 Examination of how J. Edgar Hoover knew President Kennedy would be assassinated and the coverup that followed the assassination.

**the treason of the senate: Circle of Treason** Sandra V Grimes, Estate of Jeanne Vertefeuille, 2013-11-15 While there have been other books about Aldrich Ames, *Circle of Treason* is the first account written by CIA agents who were key members of the CIA team that conducted the intense “Ames Mole Hunt.” Sandra Grimes and Jeanne Vertefeuille were two of the five principals of the CIA team tasked with hunting one of their own and were directly responsible for identifying Ames as the mole, leading to his arrest and conviction. One of the most destructive traitors in American history, CIA officer Aldrich Ames provided information to the Soviet Union that contributed to the deaths of at least ten Soviet intelligence officers who spied for the United States. In this book, the two CIA officers directly responsible for tracking down Ames chronicle their involvement in the hunt for a mole. Considering it their personal mission, Grimes and Vertefeuille dedicated themselves to identifying the traitor responsible for the execution or imprisonment of the Soviet agents with whom they worked. Their efforts eventually led them to a long-time acquaintance and coworker in the

CIA's Soviet-East European division and Counterintelligence Center, Aldrich Ames. Not only is this the first book to be written by the CIA principals involved, but it is also the first to provide details of the operational contact with the agents Ames betrayed. The book covers the political aftermath of Ames's arrest, including the Congressional wrath for not identifying him sooner, the FBI/CIA debriefings following Ames's plea bargain, and a retrospective of Ames the person and Ames the spy. It is also the compelling story of two female agents, who overcame gender barriers and succeeded in bringing Ames to justice in a historically male-oriented organization. Now retired from the CIA, Grimes and Vertefeuille are finally able to tell this inside story of the CIA's most notorious traitor and the men he betrayed.

**the treason of the senate:** *The Annual Library Index* , 1906 Including periodicals, American and English; essays, book-chapters, etc.; bibliographies, necrology, index to dates of principal events and select lists of public libraries in the United States and Canada and of private collectors of books.

**the treason of the senate:** *Treason* Ann Coulter, 2004-10-05 "Liberals' loyalty to the United States is off-limits as a subject of political debate. Why is the relative patriotism of the two parties the only issue that is out of bounds for rational discussion?" In a stunning follow-up to her number one bestseller *Slander*, leading conservative pundit Ann Coulter contends that liberals have been wrong on every foreign policy issue, from the fight against Communism at home and abroad, the Nixon and the Clinton presidencies, and the struggle with the Soviet empire right up to today's war on terrorism. "Liberals have a preternatural gift for always striking a position on the side of treason," says Coulter. "Everyone says liberals love America, too. No, they don't." From Truman to Kennedy to Carter to Clinton, America has contained, appeased, and retreated, often sacrificing America's best interests and security. With the fate of the world in the balance, liberals should leave the defense of the nation to conservatives. Reexamining the sixty-year history of the Cold War and beyond—including the career of Senator Joseph McCarthy, the Whittaker Chambers-Alger Hiss affair, Ronald Reagan's challenge to Mikhail Gorbachev to "tear down this wall," the Gulf War, and our present war on terrorism—Coulter reveals how liberals have been horribly wrong in all their political analyses and policy prescriptions. McCarthy, exonerated by the Venona Papers if not before, was basically right about Soviet agents working for the U.S. government. Hiss turned out to be a high-ranking Soviet spy (who consulted Roosevelt at Yalta). Reagan, ridiculed throughout his presidency, ended up winning the Cold War. And George W. Bush, also an object of ridicule, has performed exceptionally in responding to America's newest threats at home and abroad. Coulter, who in *Slander* exposed a liberal bias in today's media, also examines how history, especially in the latter half of the twentieth century, has been written by liberals and, therefore, distorted by their perspective. Far from being irrelevant today, her clearheaded and piercing view of what we've been through informs us perfectly for challenges today and in the future. With *Slander*, Ann Coulter became the most recognized and talked-about conservative intellectual of the year. *Treason*, in many ways an even more controversial and prescient book, will ignite impassioned political debate at one of the most crucial moments in our history.

**the treason of the senate:** *Treason* , 2019-05-06 Set against the framework of modern political concerns, *Treason: Medieval and Early Modern Adultery, Betrayal, and Shame* considers the various forms of treachery in a variety of sources, including literature, historical chronicles, and material culture creating a complex portrait of the development of this high crime.

## **The Treason Of The Senate Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Treason Of The Senate has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Treason Of The Senate has opened up a world of possibilities. Downloading The Treason Of The Senate provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Treason Of The Senate has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Treason Of The Senate. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Treason Of The Senate. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Treason Of The Senate, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Treason Of The Senate has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
