IT'S A PASSION. IT'S AN ART. IT'S THE ONLY WAY OUT. . . In the house on Violin Road he found the bodies of his brother, his mother, and the man who killed them both—his father. From the house on Violin Road, in Missing Mile, North Carolina, Trevor McGee ran for his sanity and his soul, after his famous cartoonist father had exploded inexplicably into murder and suicide. Now Trevor is back. In the company of a New Orleans computer hacker on the run from the law, Trevor has returned to face the ghosts that still live on Violin Road, to find the demons that drove his father to murder his family—and worse, to spare one of his sons. . . . But as Trevor begins to draw his own cartoon strip, he loses himself in a haze of lines and art and thoughts of the past, the haunting begins. Trevor and his lover plunge into a cyber-maze of cartoons, ghosts, and terror that will lead either to understanding—true understanding—or to a blood-raining repetition of the past. . . . bobby mcgees restaurant locations: A Deadly Shade of Gold John D. MacDonald, 2013-01-08 "John D. MacDonald was the great entertainer of our age, and a mesmerizing storyteller."—Stephen King With an Introduction by Lee Child When Travis McGee picks up the phone and hears a voice from his past, he can't help it: He has to meddle. Especially when he has the chance to reunite Sam Taggart, a reckless, restless man like himself, with the woman who's still waiting for him. But what begins as a simple matchmaking scheme soon becomes a bloody chase that takes McGee to Mexico, a beautiful country from which he hopes to return alive. Deception. Betrayal. Heartbreak. When Sam left his girlfriend, Nora, and vanished from Fort Lauderdale, no one was surprised. But when he shows up three years later lying in a pool of his own blood, people start to ask questions. And his old friend Travis McGee is left to find answers. But all he has to go on are a gold Aztec idol and a very angry ex-girlfriend. Is that enough to find his friend's killer? And when the truth is as terrifying as this, does he really want answers after all? Praise for A Deadly Shade of Gold "Travis McGee is the last of the great knights-errant: honorable, sensual, skillful, and tough. I can't think of anyone who has replaced him. I can't think of anyone who would dare."—Donald Westlake "John D. MacDonald is a shining example for all of us in the field."—Mary Higgins Clark

bobby mcgees restaurant locations: *Australia '98 Fodor's Travel Publications, Inc. Staff, Fodor's*, 1997 There has been considerable recent policy debate on street sex work in local neighbourhoods. This report examines how residential areas characterised as areas of female street sex work are shared by different sections of the community. Neighbourhood and policy responses to street sex work are also considered. The report draws on research with sex workers, residents and agency staff in five case study areas in England and Scotland. It considers community responses to street sex work and the varying degrees of tolerance and engagement. Exploring whether residential streets can serve as shared spaces where residents and sex workers may coexists, the authors reflect on the scope for improving relations through initiatives such as consultation, mediation and awareness raising. Living and working in areas of street sex work considers both the effectiveness of responses, such as enforcement and the use of antisocial behaviour legislation, and the need for integrated initiatives to address community conflicts and management of the street scene.--BOOK JACKET.
